3. Letter of Support for ND Diversification Research Collaboration with Energy and Minerals Innovation Center.

3. REGULAR AGENDA

A. Public hearing on the application to transfer the Class E - Sale At Retail of Beer Only alcohol license, located at 619 Memorial Hwy, from 3 Fat Boys, LLC. to BHB, LLC

Mayor Schmitz opened the public hearing. Ian MacDonald noted that the address listed on the agenda was not accurate. City staff received the updated application and the correct address was included with the file. Due to the address error, and legal publication requirements, the public hearing was continued to the February 27, 2024 meeting.

Commissioner Connelly motioned to continue the public hearing to the February 27, 2024 meeting to allow the legal notice to be published, and Commissioner Cleary seconded. Upon a roll call vote, all voted aye. M/C.

B. Request of Gusaas Signs to appeal the January 4, 2024, decision of the Bismarck Board of Adjustment to uphold the Planning Manager / Zoning Administrator's interpretation of the zoning ordinance relating to a proposed off-premise advertising sign on Lot 1, Block 1, Basin Electric Fourth Addition.

Jenny Wollmuth, Senior Planner, presented information regarding an appeal of the January 4, 2024 Board of Adjustment's decision to uphold the zoning ordinance relating to a proposed off-premise advertising sign on Lot 1, Block 1, Basin Electric Fourth Addition.

Joe Gusaas is appealing the January 4, 2024, decision of the Bismarck Board of Adjustment to affirm a zoning determination made by the Planning Manager / Zoning Administrator that the dimensional requirements outlined in Section 14-03-3.1-08(4)i would prohibit the installation of an off-premise advertising sign. Mr. Gusaas presented examples of previous application exhibits he had submitted along with those of other companies' digital billboard applications.

The Commission members and City staff discussed the practice of measuring distances for proposed billboards from intersection locations as described by ordinance. The group discussed that the interpretation does not apply to the intersection spacing as that is listed as the distance from the intersection. As such, the linear distance from the intersection in a linear direction would allow the sign. The general consensus of the group is to clarify the language in the ordinance relating to signs.

Commissioner Cleary motioned to reverse the determination of the Board of Adjustment and grant that the billboard conforms to the ordinances, and Commissioner Connelly seconded. Upon a roll call vote, all voted aye. M/C.

https://bismarcknd.gov/DocumentCenter/View/44878/Item-3B_February-13-2024

- C. Consider the request by the Community Development Department for the creation of the Neighborhood Reinvestment Initiative.

Daniel Nairn, Planning Manager, presented information regarding the requests for the creation of a new initiative to achieve several goals of our Comprehensive Plan related to housing. The City of Bismarck would partner with interested financial institutions to offer low-interest loans for eligible residential remodeling projects.

Kate Herzog, Chief Operating Officer of the Downtown Community Foundation/ Downtowners, spoke briefly about the benefits of the program for property residents and possibly commercial businesses in the future.

Commissioner Zenker motioned to approve the Neighborhood Reinvestment Initiative as presented, and Commissioner Cleary seconded. Upon a roll call vote, all voted aye. M/C.

- D. Consider the request for direction relating to curbside waste collection for all residential and collection of extra items.

Steve Salwei, Public Works Service Operations Director, presented information regarding the request to move all residential trash collection to curbside pickup and requested direction on the options for the collection of extra items.

The Commission discussed the various options, and based on the timing and future delivery of the refuse-hauling trucks in 2025, the Commission agreed to continue discussing options with a decision to be made at a future meeting.

https://bismarcknd.gov/DocumentCenter/View/44869/Item-3D_February-13-2024

- E. Continued discussion and approval of department director employment and performance processes.

The Commission discussed the draft of the Department Director Employment and Performance Processes, in particular, item 3, in regard to the documentation of communication attempts with portfolio holders by the Administrator. Attorney Combs recommended using the term "reasonable attempt" in item 3 to define what is considered a reasonable attempt.

Commissioner Cleary motioned to approve as amended by Attorney Combs, and Mayor Schmitz seconded for discussion.

Commissioner Zenker stated that he regrets the decision to give the appointing authority to the City Administrator and will not support the proposed document. Commissioner Zenker then suggested he believes the Home Rule Charter may have been violated and recommended the Commission do their due diligence before finalizing the document.

Commissioner Cleary rescinded her motion, and Mayor Schmitz rescinded his second.

Mayor Schmitz suggested a legal opinion on this matter may be necessary to resolve any uncertainties.

F. Update on the status of Burleigh County and the Provident Building.

Mayor Schmitz provided a report that he received at the Bismarck Burleigh Commissions Committee regarding the status of the Provident Building and the Extraterritorial Area.

The Commission received the report.

G. Discussion regarding the request from Bismarck Event Center to change the insurance limits for contracts.

Janelle Combs, City Attorney, addressed the Commission regarding a request from the Bismarck Event Center to change the insurance limits. The Event Center is requesting that the liability limits be lowered to \$1 Million per occurrence if the event has less than 1,000 people attending. Lowering the limit would make the City responsible for any negligent actions for potential damages up to the \$2 Million tort cap.

Commissioner Zenker motioned to approve the \$1 Million limit on contracts where there are less than 1,000 people attending at a time, and Commissioner Marquardt seconded. Upon a roll call vote, Commissioners Marquardt, Zenker, Connelly, and Mayor Schmitz voted aye. Commissioner Cleary voted nay. M/C.

Bismarck-Burleigh Public Health Department

DATE: February 27, 2024

FROM: Renae Moch, Director

ITEM: Letter of Support

REQUEST:

Approve letter of support from Bismarck-Burleigh Public Health for the development and implementation of dental hygiene and dental assisting programs at Bismarck State College.

BACKGROUND INFORMATION:

Bismarck State College requested a letter of support from Bismarck-Burleigh Public Health for the development and implementation of dental hygiene and dental assisting programs at their institution. Their primary objective for the addition of these programs is to fortify the dental healthcare workforce while addressing the healthcare needs of underserved communities in North Dakota who lack access to preventive dental health services. This initiative is in response to pressing concerns identified by community partners regarding the shortage of oral health professionals in the central and western regions of North Dakota.

RECOMMENDED CITY COMMISSION ACTION:

Approve letter of support from Bismarck-Burleigh Public Health for the development and implementation of dental hygiene and dental assisting programs at Bismarck State College.

1. Letter of Support BSC Dental 2024

February 20, 2024

Dr. Douglas Jensen, President
Bismarck State College
PO Box 5587
Bismarck, ND 58506-5587

Dear Dr. Jensen:

I am writing this letter of support for the development and implementation of dental assisting and dental hygiene programs at Bismarck State College. The need for dental hygienists and dental assistants is significant and widespread. The addition of these programs would be a valuable resource to address the dental public health workforce needs in this region.

We have witnessed first-hand the lack of access to preventive dental health care in the clients we serve at Bismarck-Burleigh Public Health. We consistently encounter individuals and families who lack access to preventive dental health care, leading to increased risks of oral health issues and poor oral health outcomes.

Access to oral health care is essential to promoting and maintaining overall health and well-being, yet data reflects that North Dakotans of all ages are not accessing preventive dental care. According to the ND Department of Health and Human Services Oral Health Program, only 1 in 4 children had a preventive dental care visit in the last 12 months. Nearly 1 in 3 adults reported no dental visit in the past five or more years.

The proposed solution presented by Bismarck State College to focus on delivering dental health prevention and education services to underserved populations through the implementation of dental assisting and dental hygiene programs holds immense promise. By training a new generation of dental health professionals who are equipped with the knowledge, skills, and compassion to serve communities in need, Bismarck State College has the potential to make a significant impact in building a sustainable workforce for dental health care professionals in our region.

As the Public Health Director for Bismarck-Burleigh Public Health, I strongly support Bismarck State College in their efforts to expand its degree offerings to include dental assisting, dental hygiene, and other public health related programs.

Sincerely,

Renae Moch, MBA, FACMPE

Dear Ms. Yellow,

Congratulations! The proposal for Replacement of brass rail and carpet of Belle Mehus Auditorium located in Bismarck has been selected for funding through North Dakota's Historic Preservation Fund grant appropriation. We are offering a grant of \$50,000 to assist in the preservation efforts. The required match is 50% of the completed project.

Please do not begin work on this project until the contract has been signed. If you choose to accept the grant, please send an email or letter of acceptance to Amy Munson, Grants & Contracts Officer. In the letter, include the legal address of the property, including township, range, section, and quarter sections. For city or town properties, include the lot number.

Upon acceptance of the grant, you will receive a contract in the mail, which must be signed and returned to us. The contract will detail the commitments and requirements of the grant. Please read it carefully. We have recently updated the historic preservation covenant that will be required to receive the grant funds.

Work on the grant project must be completed by August 30, 2025, and inspect by SHSND staff in September 2025. There can be no extensions, as this is a federal deadline. Work completed after the deadline cannot be reimbursed. We advise using a timeline that gives both you and your contractors a safety window for completion of the project.

If you have any questions, please contact me by phone (701-328-3573) or email amunson@nd.gov.

ITEM: Street name change for Burr Oak Loop

REQUEST:

Request of the City of Bismarck for a street name change for Burr Oak Loop, where staff recommends approval.

BACKGROUND INFORMATION:

The City of Bismarck Community Development Department and Central Dakota Communications Center (CENCOM) propose to change the name of “Bur Oak Loop” to “Burr Oak Loop” between 80th Street Southeast and Red Oak Drive to provide consistency within the City’s records. No property addresses would be changed by this action.

The properties addressed off this street use Burr Oak Loop rather than the underlying plat’s Bur Oak Loop. The proposed change would only update the underlying plat to reflect the street name currently used by the properties adjacent to this street.

The attached staff report contains a complete review of the request according to the standards of the comprehensive plan, city ordinances, and other relevant laws.

RECOMMENDED CITY COMMISSION ACTION:

Based on the findings contained in the staff report, staff recommends approval of the street name change of “Bur Oak Loop” to “Burr Oak Loop” between Red Oak Drive and 80th Street Southeast within Pine Meadows Subdivision.

<i>Applicant Request:</i>	Change the street name of Bur Oak Loop to Burr Oak Loop to provide consistency within the City's records
<i>Staff Recommendation:</i>	Approve

Project Narrative

In order maintain street name consistency, the City of Bismarck Community Development Department and Central Dakota Communications Center (CENCOM) propose to change the name of “Bur Oak Loop” to “Burr Oak Loop” between Red Oak Drive and 80th Street Southeast within Pine Meadows Subdivision.

The proposed street name change would not change any of the current 13 properties addressed off this street. This proposed change would only update the underlying plat to reflect the street name currently used by these properties.

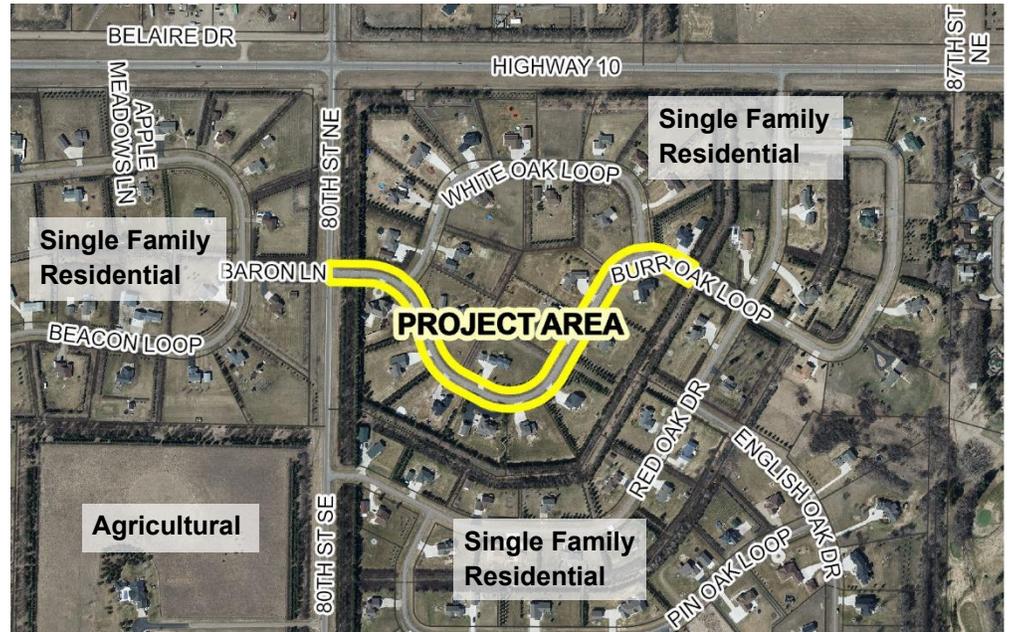

Public Engagement

Seventeen letters were mailed to property owners adjacent to the segments of the street proposed to be changed on February 14, 2024.

Basic project information, with the ability to contact staff for more details, has been provided publicly online through the Community Development Activities map.

Project Context

Land uses adjacent to the project area are depicted on the adjacent map:

Review Standards and Findings of Fact

The request is evaluated according to standards contained within the Comprehensive Plan, Bismarck Code of Ordinances, and relevant state law. Findings of fact, related to land use, are presented in response to each standard.

The street name shown on the plat of record is confusing, in error, or is otherwise inconsistent with other street names within the City of Bismarck or surrounding areas (Section 14-09-12)

Yes. East Ridge First Subdivision recorded “Burr Oak Loop” in 1996. However, Pine Meadows, recorded in 2005, named the street “Bur Oak Loop” instead, thereby creating an inconsistency in the names used to describe this street.

As such, a street name change is needed to correct this error and provide name consistency to all segments of this street.

A change to the proposed street name would alleviate said confusion or inconsistency to some degree and improve public navigation and travel (Section 14-09-12)

Yes. The proposed change would create continuity between the adjacent subdivisions and improve public navigation and travel. It would alleviate any confusion caused by the different names of the street segments.

The street name change would improve emergency response in the area ([Goal T5-a](#))

Yes. The proposed street name change is supported by the Central Dakota Communications Center (CENCOM) as a means for improving communications between emergency dispatchers and responders.

Proper administrative procedures related to the request are being followed (Section 14-09-12)

Yes. City staff have initiated the proposed street name change in consultation with Central Dakota Communications Center (CENCOM). All owners of property along the street being considered for a change have been notified of the intent to change the street name, as documented in this report above.

The public health, safety and general welfare will not be adversely impacted by the proposed street name change ([Goal S10-a](#))

Yes. As a cumulative result of all findings contained in this staff report, City of Bismarck staff find that the proposed street name change would not adversely impact the public health, safety, and general welfare.

Staff Recommendation

Based on the above findings, staff recommends approval of the street name change from “Bur Oak Loop” to “Burr Oak Loop” between 80th Street Southeast and Red Oak Drive within Pine Meadows Subdivision.

DATE: February 27, 2024

FROM: Ben Ehreth, Community Development Director

ITEM: Street name change for Harvest Lane.

REQUEST:

Request of the City of Bismarck for a street name change for Harvest Lane, where staff recommends approval.

BACKGROUND INFORMATION:

The City of Bismarck Community Development Department and Central Dakota Communications Center (CENCOM) proposes to change the name of “Harvest Lane” to “Weiss Avenue” between State Street and North 14th Street to provide consistency between the City’s records and the navigational signs and tools used by the public.

Harvest Lane connects to Weiss Avenue to the west across State Street. In 2023, as a result of construction on State Street, street signs were updated, and the Harvest Lane street sign was changed to Weiss Avenue. Changing the street name would reflect this update and provide consistency between the City’s records and the navigational signs and tools used by the public.

No properties are addressed off Harvest Lane, which limits its potential value as an individual street name. Changing the name to Weiss Avenue will still provide navigational value to this area and allow Harvest Lane to be fully utilized elsewhere in the city.

The attached staff report contains a complete review of the request according to the standards of the comprehensive plan, city ordinances, and other relevant laws.

RECOMMENDED CITY COMMISSION ACTION:

Based on the findings contained in the staff report, staff recommends approval of the street name change of “Harvest Lane” to “Weiss Avenue” between State Street and North 14th Street within Wachters North Addition.

Project Narrative

The City of Bismarck Community Development Department and Central Dakota Communications Center (CENCOM) propose to change the name of "Harvest Lane" to "Weiss Avenue" between State Street and North 14th Street within Wachtors North Addition.

The proposed street name change would not impact any properties on either side of the street since no properties are addressed from this street.

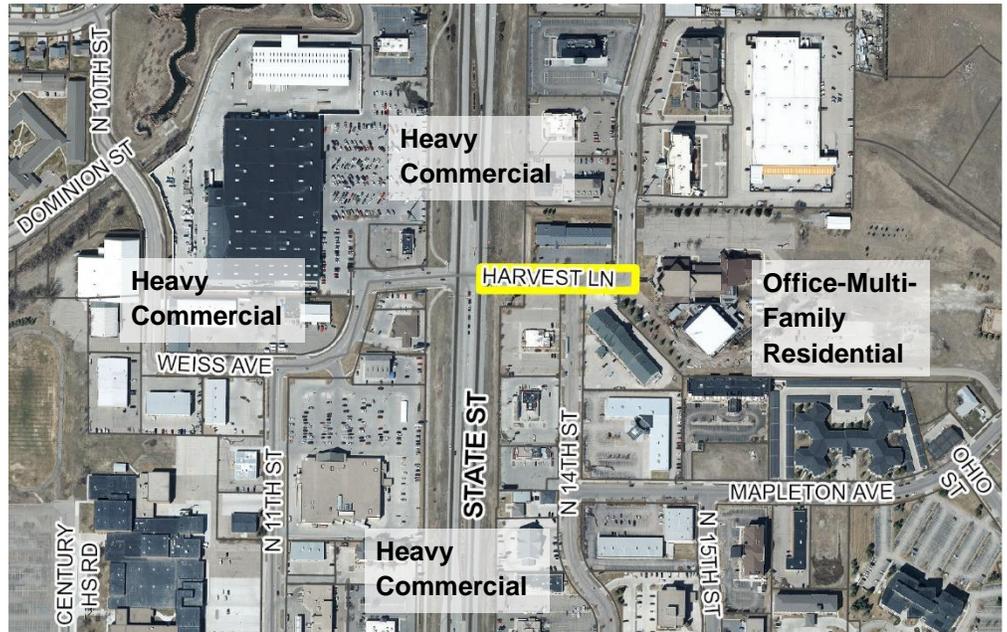

Public Engagement

Four letters were mailed to property owners adjacent to the segments of the street proposed to be changed on February 14, 2024.

Basic project information, with the ability to contact staff for more details, has been provided publicly online through the Community Development Activities map.

Project Context

Land uses adjacent to the project area are depicted on the adjacent map:

Review Standards and Findings of Fact

The request is evaluated according to standards contained within the Comprehensive Plan, Bismarck Code of Ordinances, and relevant state law. Findings of fact, related to land use, are presented in response to each standard.

The street name shown on the plat of record is confusing, in error, or is otherwise inconsistent with other street names within the City of Bismarck or surrounding areas (Section 14-09-12)

Yes. The section of Harvest Lane was originally dedicated as an access easement within Wachers North Addition in 1988. However, the changes in development goals over the years prompted a dedication for right-of-way purposes in place of the easement in 1997. This change was highlighted on the Schweitzer Addition plat in 2004, naming this right-of-way Harvest Lane.

Harvest Lane connects to Weiss Avenue to the west across State Street. In 2023, as result of construction to State Street, street signs were updated. The Harvest Lane street sign was changed to Weiss Avenue. Renaming Harvest Lane to Weiss Avenue would reflect this change

and provide consistency between the City’s records and the navigational signs and tools used by the public.

No properties are addressed off Harvest Lane which limits its potential value as an individual street name. Changing the name to Weiss Avenue will still provide navigational value to this area and allow Harvest Lane to be fully utilized elsewhere in the city.

A change to the proposed street name would alleviate said confusion or inconsistency to some degree and improve public navigation and travel (Section 14-09-12)

Yes. The proposed change would create continuity with Weiss Avenue to the west of State Street. It would alleviate any confusion caused by the different names of the street segments.

The street name change would improve emergency response in the area (Goal T5-a)

Yes. The proposed street name change is supported by the Central Dakota Communications Center (CENCOM) as a means for improving

communications between emergency dispatchers and responders.

Proper administrative procedures related to the request are being followed (Section 14-09-12)

Yes. City staff have initiated the proposed street name change in consultation with Central Dakota Communications Center (CENCOM). All owners of property along the street being considered for a change have been notified of the intent to change the street name, as documented in this report above.

The public health, safety and general welfare will not be adversely impacted by the proposed street name change (Goal S10-a)

Yes. As a cumulative result of all findings contained in this staff report, City of Bismarck staff find that the proposed street name change would not adversely impact the public health, safety, and general welfare.

Staff Recommendation

Based on the above findings, staff recommends approval of the street name change from “Harvest Lane” to “Weiss Avenue” between State Street and North 14th Street within Wachters North Addition.

PROJECT DESCRIPTION

The purpose of this attachment is to describe the scope of services and responsibilities required to complete construction administration services. Services include construction inspection, materials testing, and survey to verify the contractor's work is performed according to the governing specifications, plans, and special provisions.

Project improvements include reconstructing 1 mile of South Washington Street from Burleigh Avenue to the South Bismarck Drainage Ditch. The roadway will be reconstructed to a three-lane urban road section with a center left turn lane. Improvements include lighting, landscaping, a 10-foot shared-use path, a 6-foot pedestrian sidewalk, the extension of a 16-inch watermain, installation of a sanitary sewer forcemain, stormwater forcemain, and the installation of a storm sewer system. A traffic signal will be installed at the London Avenue/Santa Fe Avenue intersection with right turn lanes on South Washington Street. A fiber optic interconnect cable will be installed to connect all signals on South Washington Street, including existing signals at Denver Avenue, Reno Avenue, Wachter Avenue, and the new signal at London Avenue/Santa Fe Avenue. A single lane roundabout will be constructed at the Burleigh Avenue intersection. Burleigh Avenue will be widened between South Washington Street and Boston Drive to a three-lane section with a center left turn lane.

PROJECT SCHEDULE

The work tasks outlined below are estimated based on the construction completion dates as identified below and may vary depending upon the Contractor's actual schedule.

Bid Date: 2/16/2024

Estimated Start Construction: 04/08/2024

Substantial Completion: 11/15/2024

Final Completion: 6/28/2025

A total of 192 days (32 weeks) of construction observation services have been assumed for the 2024 construction season and a total of 20 days of construction observation services have been assumed for the 2025 construction season; the hourly summary is based on an average of 3 full time construction

staff working 6 days per week for 12-hour days during construction activities. Additional time is included for office staff before construction begins and for close-out activities. Surveying and materials testing are anticipated to be completed within the same timeframes.

1.0 PROJECT MANAGEMENT

1.01 PROJECT MANAGEMENT

The Apex project manager will be the City of Bismarck's main point of contact and will be responsible for the overall coordination of work completed. This task consists of managing the project budget, work assignments, internal coordination meetings, and coordination with the City of Bismarck and NDDOT.

Consultant team meetings and communication will be held as needed to coordinate with project staff and to discuss the work plan, coordination of work activities, and project submittals. The project schedule, scope, and budget will be tracked, and the City of Bismarck will be notified of any potential changes.

1.02 PROJECT INITIATION & SHOP DRAWING REVIEW

This task includes time for the construction staff to review plans, setup the record keeping system and create a work plan. Also includes shop drawing review by the design and construction staff.

1.03 PRE-CONSTRUCTION MEETING

Apex will attend and participate in the pre-construction meeting and utility coordination meetings hosted by the Contractor.

1.04 WEEKLY CONSTRUCTION MEETING

Apex will attend and participate in the weekly construction and utility coordination meetings hosted by the Contractor.

1.05 CONSTRUCTION CHANGE ORDERS

Apex will review and respond to change order requests and RFIs. Apex will work with the City to negotiate the change order; maintain contact with the NDDOT during the negotiation process to ensure that all parties agree.

1.06 WEEKLY RECORDS

Apex staff will maintain a daily diary of construction activities throughout the duration of the project. Take photographs of the project throughout the duration of the project and maintain files of photographs taken. Aerial and ground images obtained will be made available to the City upon request.

1.07 CONSTRUCTION AUTOMATE RECORD SYSTEM (CARS) ENTRY

Apex will keep appropriate project records in the NDDOT CARS system. These items will include project diary, haul sheets, pay quantities, pay estimates, progress reports, stockpile/invoice items, construction status, and contract adjustments. Apex will input PQEs, to produce weekly progress reports and pay estimates on a biweekly basis. This task also includes work associated with reviewing payrolls, conducting labor compliance interviews, and monthly EEO Inspection Reports per the NDDOT External Civil Rights Manual.

2.0 CONSTRUCTION ADMINISTRATION

Apex will verify and document in the field the Contractor's work is in conformance with the contract documents. Apex will obtain certifications, measure, and document quantities for each of the bid items. The major works items for each construction operation are summarized below.

2.01 REMOVALS

Apex will verify removal limits and review construction items related to removal operations, including clearing and grubbing, removal of asphalt and concrete pavement, removal of aggregates, and removal of culverts.

2.02 EARTHWORK

Apex will verify earthwork operations including stripping and respreading topsoil; common excavation; embankment; and compaction.

2.03 AGGREGATE BASE/TRAFFIC SERVICE AGGREGATE/GEOSYNTHETIC

Apex will verify all construction items related to aggregate base operations including placement and compaction, grade control, and geosynthetic fabric placement.

2.04 BITUMINOUS PAVEMENT

Apex will field verify all construction items related to hot mix asphalt laydown operations including leveling course, wear course, placement and compaction, and chip seal inspection.

2.05 CONCRETE PAVEMENT

Apex will field verify construction items related to concrete paving operations. This includes jointing layouts, rebar placement, mainline paving, curb & gutter, saw cutting/jointing, and joint sealant.

2.06 STORM SEWER

Apex will field verify all construction items related to storm sewer installations including the installation of manholes, inlets, trunkline, and forcemain.

2.07 SANITARY FORCEMAIN

Apex will field verify all construction items related to the sanitary forcemain installation including the installation, horizontal/vertical grade control, backfill/compaction, and pressure testing.

2.08 WATERMAIN

Apex will field verify all construction items related to watermain installation including the installation, horizontal/vertical grade control, backfill/compaction, pressure and bacteriological testing.

2.09 EROSION CONTROL

Apex will field verify construction items related to erosion control including temporary cover crop, mulching, fiber rolls, and erosion control blankets. This task includes reviewing the Contractor's SWPP.

2.10 SIDEWALK/DRIVEWAY/MEDIAN/BOULEVARD CONCRETE

Apex will field verify construction items related to concrete flatwork operations. This includes sidewalk placement, ADA ramps, driveways, and stamped concrete medians. Jointing layouts, rebar placement, saw cutting/jointing, and joint sealant will also be reviewed.

2.11 TRAFFIC CONTROL

Apex will field verify all construction items related to construction traffic control. Daily inspections of the traffic control will be completed by Apex and the Contractor will be notified of any deficiencies, revisions or corrections.

2.12 PAVEMENT MARKING/SIGNING

Apex will field verify all construction items related to permanent pavement marking and signing.

2.13 STREET LIGHTING AND TRAFFIC SIGNALS

Apex will field verify construction items related to the street lighting, traffic signals and interconnect.

2.14 LANDSCAPING

Apex will field verify all construction items related to seeding and landscaping items including permanent seeding, mulching, fiber rolls, tree plantings, fences, and landscape appurtenances.

2.15 MATERIAL TESTING

Apex will coordinate materials testing for the project with the Contractor and Apex's materials testing subconsultant. Materials testing will be provided by Terracon under a separate agreement, see attached scope of services.

3.0 CONSTRUCTION STAKING

3.01 CONSTRUCTION STAKING

Apex will provide construction staking to include survey control and horizontal and vertical control necessary for construction of the project. In addition, property pins will be reset where disturbed by construction within construction easements. Two survey markers will be reset as described in the plans. The following Items are anticipated to require survey:

- Survey Control Points
- Traffic Control
- ROW and Easements
- Removals
- Watermain
- Sanitary Forcemain
- Lighting
- Traffic Signal
- Fiber Optic Interconnect
- Storm Sewer
- Curb and Gutter
- Roundabout Staking
- Subgrade Blue-Top
- Aggregate Trim Line
- Concrete Joint Layout
- Hand Pours/Intersections
- Sidewalk and Shared-Use Path
- Landscaping and Trees
- Signs and Pavement Marking
- As-built Utilities
- As-built Seeding Limits
- Erosion Control Staking
- Utility Relocations

4.0 PROJECT CLOSEOUT

4.01 FINAL RECORDS, PROJECT ACCEPTANCE & APPROVAL

This task includes time to prepare the final project records including verifying quantities for accuracy, completing necessary final document forms, completing record drawings, packaging, and delivering final documents to the City and NDDOT. Apex will conduct and prepare minutes for the Substantial Completion and Final Completion inspections, final punch list, and approval/acceptance letters to the Contractor.

4.02 FINAL RECORD SUBMITTAL

Apex Task 4.02 contains the services required to submit final records to the NDDOT Bismarck District. All records will be prepared completed per the Construction Records Manual.

TASKS NOT INCLUDED IN THIS SCOPE OF WORK

- Onsite Safety Procedures and Operations
- Dispute Resolution/Claim Analysis
- Materials testing for failed test results

Re: Proposal for Materials Testing
AC-NHU-1-981(137)(PCN-23859) and CPU-1-981(140)(PCN-24022)
South Washington Street
Bismarck, North Dakota
Terracon Proposal No. PM2241016

Dear Mr. Ripplinger:

Terracon Consultants, Inc. (Terracon) appreciates the opportunity to submit this proposal to provide construction materials testing services for the AC-NHU-1-981(137)(PCN-23859) and CPU-1-981(140)(PCN-24022) project. Our proposal includes an outline of the project information, our proposed scope of services, estimated quantities, unit rates, and a total estimated fee for our services.

1.0 CAPABILITIES AND EXPERIENCE

Construction Materials Testing Services

Our team of inspectors and technicians are experienced with providing materials testing, inspections and/or observations of concrete, soils, aggregate, masonry, structural steel, foundations, fireproofing, and asphalt pavement in the local area and are familiar with the recognized building jurisdiction requirements.

Laboratory Capabilities

Our laboratory is accredited by AASHTO Re:source which is recognized by ASTM E329 Standard Specification for Agencies Engaged in Construction Inspection, Testing, or Special Inspection. The scope of accreditation includes the field of Soils, Aggregates, and Portland Cement Concrete. As a requirement of accreditation, we regularly participate in the Proficiency Sample Programs of AASHTO Re:source, the Concrete and Cement Reference Laboratory (CCRL) and WACEL. Our office employs engineering technicians and special inspectors certified by the American Concrete Institute (ACI), National Institute for Certification in Engineering Technologies (NICET), American Welding Society (AWS), the International Code Council (ICC), Virginia Department of Transportation (VDOT) and WACEL. In addition, we provide a rigorous internal training program where our staff are evaluated in specific field and laboratory test procedures by internal Terracon auditors and external agencies.

- **Accredited by AASHTO re:source (formerly known-as AMRL)**
- **Inspected by Concrete and Cement Reference Laboratory (CCRL)**
- **Validated by United States Army Corps of Engineers (USACE)**

Compass | Materials Data Delivery

Traditional methods of reporting and accessing results of your project’s inspections, testing, and observations are no longer sufficient for today’s construction projects. With a large amount of reports generated on a single project, you now have a solution to quickly find and view specific data to make timely, informed decisions for your project. Terracon offers you the ability to view and interact with your testing data in a new way and is committed to using innovative techniques to deliver quality projects. Construction data is viewed by geographic location in relation to your project drawings as part of our seamless project delivery system.

Advantages to Terracon Compass:

- Mapped Testing Data on Your Dashboard
- Filtering Tools (date, test type, deviations, etc.)
- Intuitive Test Status by Color
- Additional GIS Layers
- Augmented Testing Reports with In-Place Locations
- Quicker Turnaround Time

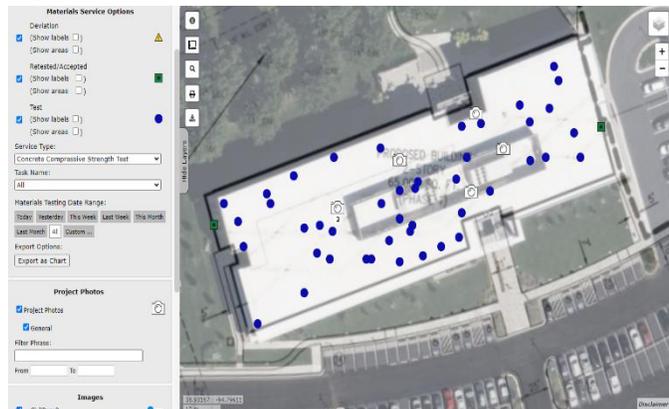

One of Terracon Compass’ greatest strengths is that we curate your projects for your future. Terracon Compass shows your team members an interactive map with locations of past and present projects to navigate geographically; or for those that prefer a tabular format, we have that option too. Either way, as you collaborate with Terracon, your team members will be able to build a library of past projects curated online through a secured login. That means a few years after completion, your team can readily find a final, signed deliverable.

How It Works:

We overlay your project drawings into an accessible GIS map. Our field professionals will locate where they are standing on the plan through their mobile devices. When performing a test or observation, they simply drop a pin where the work is, perform our work, and collect the data. Field professionals complete the data collection through intuitive forms built into the application.

Once complete, the technicians can submit the report from their device in the field which dramatically reduces report turnaround time. After the report has been reviewed and approved it is visible in Terracon Compass.

Imagine seeing all your materials testing data for your project on one screen, located where the work occurred, and with intuitive filters to find what you need. What used to take hours can now be accomplished in minutes using Terracon Compass.

2.0 PROJECT INFORMATION

Our understanding of the required construction materials testing services for this project is based upon information provided by your firm, our experience with other projects of this type, and the following information:

- Plans Provided on the NDDOT website dated 11-21-2023

A construction schedule was not provided to Terracon prior to submitting this proposal, therefore our assumptions on the schedule should be considered an estimate until we can review the contractor’s schedule. Pertinent project information is summarized below:

ITEM	DESCRIPTION
Location	The project is located at South Washington Street in Bismarck, North Dakota.
Size	The site encompasses approximately 2.6 miles of roadway.
Project Description	We understand the project will consist of Grading, Aggregate Base, PCC Pavement, HMA, Curb & Gutter, Milling, Shared Use Path, Sidewalk, Storm Sewer, Watermain, Force Main, Lighting, Signals, Interconnect Cable, Signing, and Markings.

3.0 SCOPE OF SERVICES

Terracon proposes to provide materials testing and special inspection services as summarized below:

ITEM	DESCRIPTION
Earthwork	Terracon will obtain samples for laboratory tests, perform in-place field density testing for excavation, subgrade preparation, aggregate base beneath pavements, backfill of pipe, and excavated areas and beneath roadways.
Concrete	<p>During concrete placements, observation, sampling, and testing will be performed by Terracon for the concrete used for miscellaneous concrete construction and other structural elements. The concrete will be sampled and tested for slump, and temperature at the time of placement. Testing will be performed in general accordance with project plans and specifications.</p> <ul style="list-style-type: none"> ▪ Cast 1 set of 4 (4-inch by 8-inch) cylinders for each 2000 square yards of concrete pavement or fraction thereof for each day’s placement for each concrete mix. ▪ Cast 1 set of 4 (4-inch by 8-inch) cylinders for each 50 cubic yards of curb & gutter, sidewalk, and driveways or fraction thereof for each day’s placement for each concrete mix.
Asphalt Concrete Pavement	Relative field density-compaction testing by core methods will be performed during asphalt concrete paving operations. Asphalt samples will be obtained during asphalt paving and tested for unit weight, density, and asphalt content and gradation.

ITEM	DESCRIPTION
<p>Project Management</p>	<p>A project manager will be assigned to the project to review the daily activity and assist in scheduling the work. Field and laboratory tests will be reviewed prior to final submittal. The project manager will be responsible for the project budget, communicating with the contractor regarding schedule, deviations, and documenting the resolution of outstanding deviations.</p> <p>To help create a good working relationship with the contractor and for the contractor to better understand our scope of work for the project, we request that Terracon be invited to preconstruction meetings prior to each phase of construction.</p>

Scope Assumptions/Exclusions:

- This proposal is limited to Base Bid of \$106,617.80. Services not included in this proposal can be provided at an additional fee.
- We have assumed that contractors on the site will work a single shift, typical schedule of 5 days per week.
- All quantities are based off the needs called out in the plans provided.

Commitment to Timely Report Turnaround:

We understand the importance of report turnaround to our clients, and we are committed to delivering test results on a timely basis as well as the following reporting standards:

- Failing tests or non-conformance items will be communicated to the designated parties prior to leaving the site and handwritten draft reports are available at the end of each day.
- Final reports with non-conformances (Deviation Reports) will be provided within 24 hours of testing.
- Final reports without non-conformances will be provided within five business days.
- Final laboratory test reports will be provided within two days of test completion.

Terracon Field Representative:

In addition to the above services, our field personnel will provide the following services during their visit:

- Check in with the project general superintendent upon arrival on-site.
- Confirm that current approved construction documents are available during our visit.
- Notify the general contractor of our field observations and test results prior to leaving the site.
- Submit a written draft report to the Terracon project manager for review.
- Our field personnel have the right to decline work if they believe the conditions are not safe.

Scheduling of Services:

We understand that the client may not be involved with scheduling our services; this is typically the responsibility of the general contractor. We request that the following information be passed on to whom will be responsible for scheduling our services.

- Scheduling testing services should be requested no later than 5:00 pm on the business day preceding the work to ensure Terracon will be available for testing.
- Scheduling is performed through our dispatcher by calling (701) 258-2833.
- Terracon will not be responsible for tests that are not performed due to a failure to schedule our services on the project.
- Testing and observations will only determine compliance with project specifications at the test locations, at the time our services are performed.

- Cancellation of services should be done prior to a Terracon representative mobilizing to the project. Failure to do so will result in a cancellation fee.
- Terracon will not be responsible for tests that are not performed due to a failure to schedule our services on the project.
- Testing and observations will only determine compliance with project specifications at the test locations, at the time our services are performed.

4.0 COMPENSATION

Based on the project information available for our review, our time and materials estimated budget to perform the proposed scope of services for the Base Bid is \$106,617.80. A summary of our unit rates, estimated quantities, alternate bid prices, and the resulting costs is included on the attached Fee Estimate. Fees for services provided will be based on the unit rates shown in that exhibit. Please note that this is only a budget estimate and not a not-to-exceed price. Any additional out of scope items will be performed in accordance with our current fee schedule.

Many factors, including those out of our control, such as weather, the contractor's schedule including overtime and weekend work, and the need for re-testing will dictate the final fee for our services. We will not exceed our budget without first notifying you and providing a summary of work performed to date and remaining work.

5.0 AUTHORIZATION

We appreciate your consideration of Terracon Consultants for this work and look forward to working as your materials consultant on this and future projects. We can forward a contract for services upon our successful notification of award. The agreement, including the limitations it contains, shall constitute the exclusive terms, conditions, and service to be performed for this project. If you have any questions or need additional information, please contact us at your convenience.

Sincerely,

Terracon Consultants, Inc.

ITEM: Street Improvement District SI 578

REQUEST:

Consider Request to Hear Insufficiency of Protest on Resolution of Necessity for Street Improvement District 578.

BACKGROUND INFORMATION:

Street Improvement District SI 578 consists of 6 units (266 blocks) for roadway maintenance consisting of a scrub seal. Along with the scrub seal, the work will include asphalt patching, concrete curb and gutter repair, and other related work.

The Engineering Report along with the district boundary maps have been posted to the city website under Special Assessment District Information at www.bismarcknd.gov/streets.

The Resolution of Necessity was published in the Bismarck Tribune on January 22, 2024, and January 29, 2024. Letters were sent to property owners notifying them of this project along with their estimated special assessment cost and their right to protest this improvement per NDCC Chapter 40-22. The summary of protests of the Resolution of Necessity is included as an attachment to this agenda memo. All the units' protested area was insufficient and all units can proceed as proposed.

SIDEWALK & UTILITY EASEMENT

This indenture, made this 20 day of February, 2024 between the **Bismarck Parks and Recreation District**, whose post office address is 400 E Front Ave, Bismarck, ND 58504-5641, "Grantor", and the **City of Bismarck**, a municipal corporation, whose post office address is P.O. Box 5503, Bismarck, North Dakota 58506-5503, "Grantee".

1. For and in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Grantor grants to Grantee, its successors and assigns, an easement to construct, operate, maintain, and repair public utility facilities including traffic signal equipment, traffic signal wires, and sidewalk under or upon the real property hereinafter described, together with the right to remove trees, brush, undergrowth, and other obstructions interfering with the location, construction, and maintenance of said utility. Grantee shall have the right to ingress and egress across real property of Grantor for the purpose herein granted.

2. This Easement is, except for right of access, limited to:

A tract of land located in the Northwest Quarter of Section 28, Township 139 North, Range 80 West, in the City of Bismarck, Burleigh County, North Dakota, being more particularly described as follows:

Commencing at the north Quarter Corner of Section 28, thence $S0^{\circ}13'26''W$ along the Quarter Line a distance of 50.00 feet; thence $N89^{\circ}46'34''W$ a distance of 44.00 feet to the point of beginning; thence $N89^{\circ}40'34''W$ along the south right-of-way line of East Century Avenue a distance of 6.00 feet; thence $S0^{\circ}45'14''W$ a distance of 6.00 feet; thence $S89^{\circ}40'34''E$ a distance of 6.00 feet to the west right-of-way line of North 4th Street; thence $N0^{\circ}45'14''E$ along said west right-of-way Line of North 4th Street a distance of 6.00 feet to the point of beginning.

Said described tract contains 36.00 SQ. Feet or 0.001 Acres, more or less.

3. Grantee shall, after completing the above-described construction or installation, or after the exercise of any rights granted by this easement, restore the lands to as near their original condition as reasonably possible and remove all debris, spoils, and equipment resulting from or used in connection with the construction or installation or access to the lands.

4. Grantor agrees to not erect or permit any new structure or obstruction other than fences driveways, or signage, change the ground elevation, or perform any act that interferes with Grantee's rights under this easement, except with the written consent of Grantee.

5. The term of this easement herein reserved is ninety-nine (99) years, beginning upon execution of this easement.

6. Grantor hereby reserves title to and any interest in any and all archeological and paleontological materials, whether located on or below the surface of said land.

Dated this 20 day of February 2024.

ITEM: Silver Ranch Fourth Addition Easements

REQUEST:

Approve dedication and acceptance of Watermain, Sanitary Sewer, and Access easements as part of Silver Ranch Fourth Addition.

BACKGROUND INFORMATION:

Easements for Watermain, Sanitary Sewer, and Access are proposed within Silver Ranch Fourth Addition and adjacent unplatted areas in northeast Bismarck. These easements allow for the placement of municipal infrastructure both outside the platted boundary and for turnarounds for emergency service vehicles. It is anticipated these easements would be released in the future with subsequent platting and extension of the roadways and underground utilities. These easements satisfy the condition set by Commission during the approval of the plat on December 26, 2023.

At the July 18, 2023 Commission meeting, a previous version of these easements was approved in conjunction with the previous version of the plat. These easements will replace those unrecorded easements related to the previous iteration of Silver Ranch Fourth Addition.

RECOMMENDED CITY COMMISSION ACTION:

Approve dedication and acceptance of Watermain, Sanitary Sewer, and Access Easements as part of Silver Ranch Fourth Addition.

ITEM: Applications for Abatement - LaSalle Shopping Center LLC

REQUEST:

Please schedule the attached applications for tax abatement on the agenda for City Commission consideration.

Applications for abatement for the assessment years 2022 and 2023:

Property Owner - LaSalle Shopping Center LLC

Property Address - 1300 E LaSalle Dr (2155-001-001)

1403 E LaSalle Dr (2155-002-001)

BACKGROUND INFORMATION:

The above applications for tax abatement were submitted by Michael Block of Ryan LLC, authorized representative and agent for LaSalle Shopping Center LLC, for the 2022 and 2023 assessment years. Mr. Block requests to reduce the value of parcel 2155-001-001 for 2022 from \$2,913,500 to \$1,952,000 and for 2023 from \$3,175,700 to \$1,952,000; of parcel 2155-002-001 for 2022 from \$32,858,600 to \$22,048,000 and for 2023 from \$35,815,900 to \$22,048,000.

Assessing made a physical review of the interior and exterior of the entire property on October 6, 2023. This review allowed for the verification of building data on the occupied and vacant units within the property. Assessing recommends no change to parcel 2155-001-001 for the 2022 and 2023 assessment and recommends a reduction to parcel 2155-002-001 for the 2022 assessment from \$32,858,600 to \$26,624,800 and for the 2023 assessment from \$35,815,900 to \$27,979,500. The property owner contacted Assessing on February 20, 2023, and is agreeable with all recommendations.

RECOMMENDED CITY COMMISSION ACTION:

The Assessing Division recommends denial of and no change to the 2022 and 2023 certified values for parcel 2155-001-001:

2022 Land - \$1,444,200

2022 Improvement \$1,469,300

2022 Total \$2,913,500

2023 Land - \$1,444,200

2023 Improvement \$1,731,500
2023 Total \$3,175,700

The Assessing Division recommends denial of requested values but recommends a reduction of the 2022 and 2023 certified values for parcel 2155-002-001:

2022 Land \$7,307,800
2022 Improvement \$19,317,000
2022 Total \$26,624,800

2023 Land \$7,307,800
2023 Improvement \$20,671,700
2023 Total \$27,979,500

Overview of the RFP Process

- The City's current recruiting system is out of date, the HR department put out an RFP for a new recruiting system in October 2023.
- Received proposals from the following companies: Freshtek, Kiosite, NeoGov, PageUp.
- Evaluated the proposals on fixed costs, customer service, general systems requirements, reporting, security, functionality, project-relevant experience, and solution demonstration. Freshtek was eliminated because of fixed costs.
- After review, (3) finalists were chosen: Kiosite, NeoGov, and PageUp
 - Each finalist was given 60 minutes to provide a solution demonstration to RFP panel. The panel consisted of the 3 HR department employees, 2 IT department employees, and 2 Public Works employees.
 - Used a scorecard system for evaluating each company.
 - Finalist vendors interviewed ranking based on RFP listed below.

Recruiting Program	Rank
Kiosite	1
NeoGov	2
PageUp	3

- KioSite scored higher among the RFP panel, however, they did not meet the minimum qualifications of the RFP and were disqualified.
- NeoGov, ranking 2nd was chosen.

NeoGov- Proposal Highlights

- NeoGov is built for the Public Sector and has experience working with local governments. They have worked with public sector agencies to understand the requirements and regulations for the specific state they are located in.
- Implementation process is between 90-120 days and is geared towards HR professionals. They have a timeline and plan for implementation.
- System functions meet and exceed what we asked for in the RFP including recruiting site, screening of applicants, applicant tracking, onboarding, e-forms, background checks, and offboarding.
- NeoGov's demonstration showed the functionality of the system to be easy to use on both the candidate side and the administrator side. Can have unlimited users which will allow us to streamline our process of sending applicants to departments.
- NeoGov has additional modules that can be added in the future such as Performance and Learn which would be something we would be interested in adding later.

ITEM: Endo opioid bankruptcy settlement.

REQUEST:

Consider the request to approve the Endo opioid bankruptcy settlement.

BACKGROUND INFORMATION:

The City is represented by Nachawati Law Group in the multiple opioid settlements. They are advocating that we approve the bankruptcy plan. Endo International is a specialty pharmacy that is global. I found no instance of an actual presence in North Dakota, though it may be possible some number of prescriptions are filled directly for residents in our state. The amount of prescriptions and whether they included opioids for North Dakota is unknown.

In regard to Public Opioid Claimants, as the deal stands, subdivisions would receive a total of \$273 million (which could increase to \$460 million if paid over 8 years). For reference, the distributor settlement amount for this same group was \$19 billion, meaning the amount available to you will be markedly lower than what you've begun to receive to date. That being said, this settlement was developed with an expedited payment time-frame at the forefront as private claim holders and political subdivision's returns have been hamstrung by other Chapter 11 bankruptcy processes to date (Mallinckrodt's eight-year payment plan was derailed by their second bankruptcy filing, which cut off hundreds of millions of dollars and Purdue's multiple appeals having delayed any payment at all).

When we outline the fund amounts potentially available to you, we are referencing distributions you may receive from your State in accordance with the State's opioid abatement programs or as directed by the bankruptcy trustee. As a part of this plan, it was agreed that the States would receive funds and would subsequently make them available to counties, cities, and other political subdivisions for applicable opioid abatement programs. Following the final approval of the plan, our office will provide a subsequent update if additional or different steps are required to receive funds.

The law firm's opinion it is in the best interest of the City to approve the current plan and elect to accept the outlined releases. I concur, as we are a very small entity, with an unknown nexus with this particular entity.

RECOMMENDED CITY COMMISSION ACTION:

Approve Endo opioid bankruptcy settlement.

FROM: Dave Draovitch, Police Chief

ITEM: Golf Solicitation Request

REQUEST:

I am requesting the Commission's permission for the Police Department to solicit donations to support the 2024 Annual Bismarck Police Department Benefit Golf Tournament. The event will be held on July 11, 2024, at the Tom O'Leary Golf Course.

BACKGROUND INFORMATION:

This year will be the 27th anniversary of the Bismarck Police Department Benefit Golf Tournament and the proceeds of the tournament are donated to the Crisis Care Chaplaincy. The purpose of the Benefit Fund is to provide financial donations to persons in organizations served by the Crisis Care Chaplaincy who have special needs due to an unusual personal or family situation such as a serious medical condition. The donations that will be sought include financial support to defray expenses, food and non-alcoholic beverages for the tournament picnic as well as door prizes for the participants.

RECOMMENDED CITY COMMISSION ACTION:

Grant permission to solicit donations.

Re: 2024 BPD Benefit Golf Tournament

Attached is a poster of the 2024 BPD Benefit Golf Tournament. This year's tournament will be held on July 11, 2024, at the Tom O'Leary Golf Course.

As part of the coordination and organization of this event, I am requesting permission and support from you and the City Commission for solicitation of items from area businesses to limit the expenses of the tournament, as well as, to allow for more funds to be raised for the benefit. Some of the items being solicited would include prizes for the tournament, as well as food and beverage items for the picnic.

As this year's tournament date is approaching, please let me know at your earliest convenience if there are any issues that I may need to be aware of or to keep in mind throughout the organization of this event. Again, thank you in advance for your consideration and your support of this event.

Through Christ, we serve and care for first responders and those in crisis.

ITEM: North Dakota Forest Service Grant

REQUEST:

Permission for the Forestry Division to accept the North Dakota Forest Service Grant awards from the North Dakota Forest Service.

BACKGROUND INFORMATION:

The Forestry Division has received two grant awards from the North Dakota Forest Service.

The first grant is the America the Beautiful Tree Planting Grant. This grant will provide funds to plant trees on the north side of Memorial Highway. The Forestry Division received a similar grant in 2014 where trees were planted between Summit Boulevard and Memorial Highway. This grant will continue this project to the intersection of Memorial Highway and West Main. This grant has a 50:50 match and will be met with in-kind labor. The City has received an award of \$15,805.

The second grant is the 2023 Tree Equity (IRA) Grant. This grant will provide funds to plant trees in an area of the City that has a low Tree Equity Score. Tree Equity Score reflects the amount of canopy cover over a portion of the City. The City has been awarded up to \$28,000 to plant trees in an area of town that has little canopy cover. There is no match for this grant.

RECOMMENDED CITY COMMISSION ACTION:

Accept two grant awards from the North Dakota Forest Service for tree planting projects.

Describe the project, explain where it will be located in your community, and clearly outline its purpose and goals.

This project will consist of planting boulevard trees in a single family residential neighborhood in south Bismarck. Specifically, this neighborhood is south of East Main St., west of Airport Rd, north of Bismarck Expressway and east of S. 9th St. This neighborhood has had many removals in the past due to Dutch elm disease. There are approximately 270 vacant planting locations in this neighborhood. Historically, the City of Bismarck Forestry Division has allowed citizens to electively plant trees on the boulevard in residential neighborhoods and has not consistently replaced trees that have been removed due to insect, disease or that were hazardous. This neighborhood has a Tree Equity Score of 58% and has 9% canopy cover. This project will allow the City to reinvest in a neighborhood that has had very little elective boulevard tree planting with the goal of increasing canopy cover and tree diversity.

Describe plans to maintain this project for long-term success. Community must follow a three-year maintenance requirement. Reference Supporting Documents.

The City of Bismarck is fortunate to have a Forestry Division that provides all scheduled and emergency work on our boulevard trees. Newly planted trees will receive watering for the first three years following planting. With this grant, the Forestry Division would like to invest in the Tree Diaper instead of utilizing water bags.

Structural pruning occurs every 3 years for two rotations on newly planted trees, except for elm trees, which will receive structural pruning every 1-2 years due to their vigorous growth habit. Once the trees are off our structural pruning schedule they will then roll into our regular rotational pruning schedule of once every 8 years.

How does this project directly benefit your community? How will the community be engaged in the project?

Increasing canopy cover and street trees provide many environmental benefits for the community, neighborhood and individual property owners. This neighborhood planting will allow for stormwater intercept and retention, filtering of pollutants from the air, create a buffer from traffic noises from the nearby Airport Rd and Bismarck Expressway, reduce cooling costs for the residents in the future due to canopy cover, produce a traffic calming effect and reduce speeds as the trees will produce a hallway affect, increase aesthetics and property values and increase species diversity which will result in a more resilient urban forest for future generations.

Individual property owners that have a boulevard that would qualify for a tree will be notified by letter. This letter will provide information regarding the grant project along with the choice of tree they may choose from. Property owners will be able to opt out of the project if they wish and will be able to select which species of tree(s) will be

Is there other information you would like the Grant Review Committee and North Dakota Forest Service to know?

As part of this project, the City of Bismarck would like to invest in the "Tree Diaper" as a means of watering. Typically, the City of Bismarck utilizes water bags for irrigation. Tree watering is often the limiting factor for the number of trees that the City can plant in a year. The tree bags have been an efficient way to water as they only take a few minutes to fill, however, they still require quite a bit of time from seasonal staff. In doing research, I have concluded that by utilizing the Tree Diaper instead of the watering bag the City will save money on seasonal labor and equipment as this system for watering will recharge itself with rainwater and adjacent irrigation. There have been several published case studies describing how the system is efficient in it's distribution of water as it only will release the water from the diaper when soil moisture reaches a certain point. If the soil is too wet the diaper will absorb the moisture from the soil and release it when appropriate.

There are 268 parcels in this neighborhood. The goal for this project is that each parcel will have at least one boulevard tree once this project is completed. Because we will be communicating with each of the parcel owners to determine if a tree will be planted and what species will be planted, it is very difficult to create a project design plan.

Before completion of next page and submitting project, have the following documents been completed:

- Photographs of proposed project site
- Vicinity maps indicating location of project in the community
- Project design plan

Doug Wiles
City of Bismarck Forestry Division
601 S 26th St
Bismarck, ND 58504

Dear Doug:

The North Dakota Forest Service (NDFS) is pleased to announce that the City of Bismarck Forestry Division has been awarded up to \$28,000.00 for its 2023 Tree Equity (IRA) project. Enclosed is the contract for this award.

Using the enclosed envelope, please mail these items by **February 15, 2024**:

1. The original contract (all pages) with an authorized signature,
2. The completed W-9 (revised October 2018) form,
3. The completed Federal Audit Requirements form (with financial statement, letter or report), and
4. The completed AD-1048 form.

Once the NDFS has these items on file, a complete award packet will be sent to you, including a copy of the contract signed by the State Forester. Upon receipt of the award packet, you may begin the project. **Projects started prior to the contract being signed by the State Forester are not reimbursable.**

We appreciate your interest to involve the NDFS in your community forestry program. We look forward to continuing to work with the City of Bismarck Forestry Division.

Once again, congratulations on this grant award. Please contact me if you have any questions or concerns.

Sincerely,

Mary Fisk

SUBAWARD 2023F-IRA-001
AGREEMENT BETWEEN THE NORTH DAKOTA FOREST SERVICE AND

City of Bismarck Forestry Division
NORTH DAKOTA

FOR THE PROVISION OF BIPARTISAN INFRASTRUCTURE LAW (BIL)
COMMUNITY CHALLENGE GRANT FUNDS

I. GENERAL

This agreement is entered into between the North Dakota Forest Service, hereinafter referred to as the NDFS, and the above, named entity, hereinafter referred to as the COOPERATOR.

All application materials submitted by the COOPERATOR are listed in the Grant Application and are included within this agreement.

II. PURPOSE

The purpose of this agreement is to stimulate development of innovative and effective urban and community forestry projects and programs in North Dakota. The USDA-Forest Service provides grant funds to accomplish the project specified in this agreement.

The parties in this contract agree to jointly provide staff, financial, and in-kind resources necessary to fulfill the established program objective.

III. TERM

The budget period for the Agreement shall commence on the date the State Forester signs this contract and ending **November 28, 2025**. The budget period may be extended by written request from Cooperator followed by written approval from the NDFS.

IV. ALLOWABLE COSTS AND PAYMENTS

The COOPERATOR may incur costs as specified in the Grant Application – Project Budget and be reimbursed by the NDFS. NDFS will reimburse COOPERATOR upon completion and passing inspection of project. Proper documentation shall be submitted to NDFS as specified in the Reimbursement Guidelines document. The billing and match statement along with invoices shall be submitted prior to **November 28, 2025** to the North Dakota Forest Service, 916 East Interstate Ave, Ste 4, Bismarck, ND 58503-1227.

Grant funds awarded to this project up to \$28,000

V. SUPERVISION

Refer to Grant Application – Project Narrative.

VI. RESPONSIBILITIES

The NDFS agrees to:

- Submit appropriate payment(s) to the COOPERATOR not to exceed the total amount of the grant award.

The COOPERATOR agrees to:

- Expend the grant award in the manner specified in the Grant Application.
- Contact **Joel Allen (701) 934-0244**,
- **Beth Peske (701) 389-7503** immediately following project completion for an inspection. An inspection must be completed prior to any reimbursements.
- Submit copy of completed project (design plan, inventory, etc.), if applicable.
- Submit before and after pictures of any tree removals.
- Submit tree inspection list, if applicable.
- If planting, assure that plant materials and plant installation meet standards outlined in the NDFS Community Forestry Tree Planting and Three-Year Maintenance Plan.
- Maintain project in accordance with the Three-Year Maintenance Plan.
- Include the statement “This publication is made possible through a grant from the USDA Forest Service and the North Dakota Forest Service.” in any publications or outreach materials related to this project.

VII. Unique Entity ID Number

The COOPERATOR is required to identify their organization’s Unique Entity ID. The federal government has adopted the use of Unique Entity ID to track how federal grant money is allocated and is assigned free to all businesses/entities required to register with the US Federal Government for contracts or grants. If you do not know your organization’s Unique Entity ID, visit the SAM.gov webpage at <https://sam.gov/content/entity-registration>. **This is the UEI supplied on your application: HHE6BW32JLP3.**

If this is not correct, cross it off and write the correct UEI.

All entities receiving subawards greater than \$30,000 shall be registered in the Central Contractor Registration (CCR) or System for Award Management (SAM). <https://www.sam.gov/SAM/>

NDSU is required to comply with the Federal Funding Accountability and Transparency Act of 2006 and associated 2008 amendment thereto (FFATA) which is Public Law 109-282. FFATA requires NDSU to report certain first-tier subcontract greater than \$30,000 and executive compensation data. The law requires all reported information to be made publicly available, including all information reported to NDSU by Recipient. For subcontract greater than \$30,000 the recipient will fully complete and return the enclosed **Federal funding accountability and Transparency Act (FFATA) Request Form.** This form should be submitted with the signed agreement/contract and no later than 30 days from the date of the fully executed contract. Recipient must notify NDSU immediately if there is any change in Recipient’s data as supplied in the FFATA Request Form.

VIII. PROGRAM OBJECTIVES

Refer to Grant Application – Project Narrative.

IX. INCORPORATING PROVISIONS OF THE PRIME AWARD

The effort being performed under this subaward is part of the Prime Award received from:

<i>Agency</i>	<i>FAIN #</i>	<i>Amount</i>	<i>Assistance Listing #</i>	<i>Assistance Listing Name</i>	<i>Award Year</i>	<i>NDSU Proj</i>

Funding for these contracted services come from the U.S Forest Service which requires contractors and sub-contractors performing work on federal grants and contracts to abide by the Davis Bacon Act. DAVIS BACON WAGES FOR CONSTRUCTION. Following the requirement in Section 41101 of the Bipartisan Infrastructure Law, P.L. 117-58, Davis-Bacon wage rates must be applied for all laborers and mechanics employed by contractors or subcontractors in the performance of construction, alteration, or repair work on a project assisted in whole or in part by funding made available under this Act. Laborers and mechanics shall be paid wages at rates not less than those prevailing on similar projects in the locality, as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code (commonly referred to as the “Davis-Bacon Act”).

X. INDEPENDENT CONTRACTOR

COOPERATOR herein is an Independent Contractor, not a partner or joint venturer, and shall not act as an agent or employee of the NDFS. COOPERATOR shall not have any authority, either express or implied, to enter any agreement, incur any obligations on NDFS's behalf, or commit NDFS in any manner without NDFS's expressed prior written consent.

XI. LIABILITY

In accordance with North Dakota state law, COOPERATOR agrees to defend, indemnify and hold NDFS harmless from any and all claims, injuries, damages or other liabilities arising in tort or breach of contract and resulting directly or indirectly from any intentional or negligent (including grossly negligent) acts or failure to act by COOPERATOR's officers, agents or employees, arising in favor of any person or entity.

XII. TERMINATION

In the event of default by COOPERATOR under this subaward, or in the event that the prime sponsor terminates work by NDFS on this subject matter, then performance by COOPERATOR may be terminated by NDFS at any time by giving written notice. Such notice shall be effective upon the receipt of written notice by the COOPERATOR. COOPERATOR shall take all reasonable steps to minimize termination costs.

XIII. AUDIT

This agreement is subject to the provisions of the Single Audit Act Amendments of 1996, as implemented by OMB Circular A-133 "Audits of States, Local governments and Non-Profit Organization."

- COOPERATOR shall, upon written request of sponsor, provide a copy of COOPERATOR's most recent audit report. COOPERATOR agrees to provide copies of subsequent audit reports if requested by sponsor.
- Financial reports, supporting documents and other records pertinent to this subaward shall be retained by the COOPERATOR for a period of three (3) years from the date of final expenditures, reports; except records that relate to audits, appeals, litigation of the settlement of claims arising out of performance of this subaward shall be retained until such audits appeals, litigation or claims have been disposed of.
- COOPERATOR shall permit independent auditors (as defined in the OMB circulars) to have access to the records and financial statement as necessary to comply with the appropriate OMB circulars and this article.
- Following the awarding of grants, the NDFS will conduct project inspections to assure compliance with project contracts.

XIV. SERVICES AND EQUIPMENT

Pursuant to 2 CFR 200.216, COOPERATOR will not obligate or expend funds received under this Subaward to: (1) procure or obtain; (2) extend or renew a contract to procure or obtain; or (3) enter into a contract (or extend or a renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services (as described in Public Law 115- 232, section 889) as a substantial or essential component or any system, or as a critical technology as part of any system.

XV. CERTIFICATION

A. Acceptance of this Subaward constitutes certification that the COOPERATOR is not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this project by any Federal department or agency.

B. Acceptance of this Subaward constitutes certification that the COOPERATOR is not delinquent on any Federal debt.

C. Acceptance of this Subaward constitutes certification that to the best of the COOPERATOR's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the COOPERATOR, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the COOPERATOR will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," to NDFS in accordance with its instructions.

D. Acceptance of this Subaward constitutes certification that COOPERATOR: has and will continue to advise it employees working on any federal awards that they are subject to the whistleblower rights and remedies of the pilot program; will inform their employees in writing of the employee whistleblower protections under 41 U.S.C.§4712 in the predominant language of the workforce; and include such requirements in any agreement made with any subcontractor.

XVI. GOVERNING LAW

The laws of the State of North Dakota, United States of America shall govern the interpretation of this subaward. The only appropriate venue for resolution of disputes to this subaward shall be in the State of North Dakota, United States of America.

IN WITNESS WHEREOF, the parties to this Agreement do hereby execute this contract and agree to abide by its terms.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

USDA is an equal opportunity provider, employer, and lender.

North Dakota Forest Service (NDFS) is a department of NDSU. NDSU does not discriminate in its programs and activities on the basis of age, color, gender expression/identity, genetic information, marital status, national origin, participation in lawful off-campus activity, physical or mental disability, pregnancy, public assistance status, race, religion, sex, sexual orientation, spousal relationship to current employee, or veteran status, as applicable. Direct inquiries to Vice Provost, Title IX/ADA Coordinator, Old Main 201, 701-231-7708, ndsu.eoaa@ndsu.edu.

Did you use the ND TIP Tool in planning this project? YES NO *If YES, explain briefly how it was used.

Please provide thorough information for the review committee to understand your project. Projects will be ranked according to the quality of the application as a whole and how well the specified scoring criteria are addressed. Refer to the Grant Scoring Guidelines.

Describe the type of project and clearly outline its purpose and goals. *Include a planting plan or design which contains existing trees, proposed trees, all utilities, infrastructure, waterways, etc. (reference Supporting Documents)

In 2015 the City of Bismarck applied for a NDFS ATBTP Grant to plant trees in two areas directly adjacent to the project being proposed. The previous grant project consisted of two planting beds. One of the planting areas is on the south side of Memorial Highway, which consisted of a variety of ornamental trees. The other planting area of the 2015 project is on the north side of Memorial Highway and consisted of 29 conifers, which have provided a nice buffer for the residents along Summit Boulevard.

The project the City of Bismarck is proposing for this grant cycle will consist of planting 68 boulevard trees over 1500 ft of Right of Way that will extend the plantings from the 2015 Grant Project, specifically the planting bed between Memorial Highway and Summit Boulevard.

If awarded this grant, the City of Bismarck Forestry Division will be removing about 25 trees in preparation of the tree planting project, 20 of which are ash trees. The removal of these ash trees will help the city as we continually prepare for the arrival of EAB. This tree planting project is located in an area of town that would be classified as being of a lower socioeconomic demographic. Over the last several decades, there have been many trees removed in this portion of town due to Dutch Elm Disease and there has had very little elective tree plantings by the residents living in the neighborhood to replace what has been lost. This planting will continue what was started in 2015 and provide a very nice buffer for the residents living north of Memorial Highway, decrease the number of ash trees on our boulevards, increase species diversity and eventually increase canopy cover in the City of Bismarck.

The City plans to have a contractor plant the conifers and the City staff will plant the shade trees.

*see attached documents for pictures of current site, planting plans

Did you do a soil test at the planting site? YES NO *If YES, please include the test results.

How many trees are you planting?

If you are also planting shrubs, how many shrubs?

Add additional pages as needed for any of the questions

How did you choose your tree species?

Trees selected have proven to be hardy in the City of Bismarck

If any of the trees are not 1-2" caliper for hardwoods or 3' tall for conifers, please explain.

How are you preparing your site? This can include tree removal, stump grinding, and similar activities.

*Do not include digging the holes for trees. That comes next.

There are many volunteer trees and shrubs on the site that will be removed and stumps ground prior to tree planting. There are also 10 green ash trees on the boulevard that will be removed to prep for this tree planting.

Are you digging the holes by hand? YES NO

If NO, please explain how you will dig the holes:

An auger attach for a skid steer or a stump router will be used to dig holes for tree planting. Once initial hole is dug with attachment the crew will make sure hole diameter is appropriate (2-3x root ball) and that planting hole walls are scarified.

If not planting by hand, please explain how you will prevent the trees from being planted too deeply.

Once root balls have been inspected and root pruning or root correcting has occurred, the root ball will be measured to determine the depth of hole. If the hole is too deep it will be backfilled and tamped for firmness to ensure the trees will not settle.

If removing trees, list the name and title of the individuals who decide which trees should be removed:

Doug Wiles, Bismarck City Forester, will determine which trees will be removed for this project.

How many trees are you removing?
(Considered In-Kind or Cash Site-Prep)

25

*Include a map showing each tree to be removed.

Add additional pages as needed for any of the questions

Where will the project be located? **Include maps of the community showing the location of the project and a detailed map of the project site (reference Supporting Documents). Remember to consider the location of above ground and below ground utilities.*

This project will occur in the City of Bismarck. Specifically, in the boulevard between Memorial Highway and Summit Boulevard.

See attached documents showing specific location in the City of Bismarck

What entity owns the property?

City of Bismarck

If a board or council is responsible, name the board or council:

Are overhead lines in the area where trees are to be planted? YES NO

Are underground utilities in the area where trees are to be planted? YES NO

Why is the project important to the community?

This project is important for the City of Bismarck for several reasons.

- 1) If awarded this grant, the City of Bismarck Forestry Division will be removing about 25 trees in preparation of the tree planting project, 20 of which are ash trees. The removal of these ash trees will help the city as we continually prepare for the arrival of EAB.
- 2) This tree planting project is located in an area of town that would be classified as being of a lower socioeconomic demographic. Over the last several decades, there have been many trees removed in this portion of town due to Dutch Elm Disease and there has had very little elective tree plantings by the residents living in the neighborhood to replace what has been lost.
- 3) This planting will continue what was started in 2015 and provide a very nice buffer for the residents living north of Memorial Highway, decrease the number of ash trees on our boulevards, increase species diversity and eventually increase canopy cover in the City of Bismarck.

Add additional pages as needed for any of the questions

Please identify by name and/or title the individuals who will be involved with the project and explain what they will do.

City of Bismarck Forestry Division Staff
Doug Wiles, City Forester - grant administration, planning
Christy Ames-Davis, Forestry Programs Coordinator - grant administration
Jerry Henke, Eric Gabbert, Carter Moran, Katie Nagel, Rachel Jensen (Forestry Division Arborists) - tree removals, tree planting and ongoing maintenance

Tree planting contractor - tree planting

How are volunteers involved with the project?

N/A

What is your plan of work and project schedule?

- 1) Early Winter 2023 - Grant award
- 2) Early Winter 2023 - Request quote from local contractors for plant material and planting of conifers
- 3) Winter/Early Spring 2024 - Tree removal and stump grinding
- 4) Late May/Early June - Tree planting
- 5) Summer 2024 - water trees in project area once every 10-14 days throughout growing season

Add additional pages as needed for any of the questions

Describe your plans to maintain the project for long-term success.

All trees planting on City of Bismarck property/ROW have regular, scheduled maintenance by City of Bismarck Forestry Division staff. The trees will be water every 10-14 days during the summer growing season, for the first 3 years after planting. After 3 years they fall off our watering schedule unless we are in a severe drought. Mulch depth is inspected annual to determine if mulch should be reapplied. Staking will be inspected annually to determine when stakes shall be removed. Boulevard trees will be structurally pruned 2 years after planting and again at 5 years after planting and then fall into our pruning rotation based on the pruning zone they are in. The conifer bed planting will be pruned and inspected annually to determine maintenance needs and managed by our landscape arborist.

Who is responsible for watering the trees?

City of Bismarck

What is the frequency the trees will be watered?

Once every 10-14 days for first three growing seasons, depending on weather and soil moisture

Will trees be staked? YES NO

If trees will be staked, when will the support ties be removed?

staking will be evaluated annually to determine when stakes shall be removed

How will you mulch your trees and how often will you re-mulch?

3-4", mulch depth will be evaluated annually and the conifer bed will be completely mulched with no grass between trees.

Describe the steps you will take to prevent damaging trees during mowing and string trimming:

mulch and education.

"To care for, protect and improve forests and natural resources to enhance the quality of life for present and future generations."

February 1, 2024

Doug Wiles
City of Bismarck
601 S 26th St
Bismarck, ND 58504

Dear Doug:

The North Dakota Forest Service (NDFS) is pleased to announce that the City of Bismarck has been awarded up to \$15,805.00 for its 2023 Fall America the Beautiful Tree Planting (ATBTP) project. Enclosed is the contract for this award.

Using the enclosed envelope, please mail these items by **February 15, 2024**

1. The original contract (all pages) with an authorized signature,
2. The completed W-9 (revised October 2018) form,
3. The completed Federal Audit Requirements form (with financial statement, letter or report), and
4. The completed AD-1048 form.

Once the NDFS has these items on file, a complete award packet will be sent to you, including a copy of the contract signed by the State Forester. Upon receipt of the award packet, you may begin the project. **Projects started prior to the contract being signed by the State Forester are not reimbursable.**

We appreciate your interest to involve the NDFS in your community forestry program. We look forward to continuing to work with the City of Bismarck.

Once again, congratulations on this grant award. Please contact me if you have any questions or concerns.

Sincerely,

Mary Fisk
Office Manager

**SUBAWARD 2023F-ATB-TP001
AGREEMENT BETWEEN THE NORTH DAKOTA FOREST SERVICE AND**

**City of Bismarck
NORTH DAKOTA**

**FOR THE PROVISION OF AMERICA THE BEAUTIFUL TREE PLANTING (ATBTP)
COMMUNITY CHALLENGE GRANT FUNDS**

I. GENERAL

This agreement is entered into between the North Dakota Forest Service, hereinafter referred to as the NDFS, and the above, named entity, hereinafter referred to as the COOPERATOR.

All application materials submitted by the COOPERATOR are listed in the Grant Application and are included within this agreement.

II. PURPOSE

The purpose of this agreement is to stimulate development of innovative and effective urban and community forestry projects and programs in North Dakota. The USDA-Forest Service provides grant funds to accomplish the project specified in this agreement.

The parties in this contract agree to jointly provide staff, financial, and in-kind resources necessary to fulfill the established program objective.

III. TERM

The budget period for the Agreement shall commence on the date the State Forester signs this contract and ending **November 28, 2025**. The budget period may be extended by written request from Cooperator followed by written approval from the NDFS.

IV. ALLOWABLE COSTS AND PAYMENTS

Required cost share is 50/50. A minimum of 50% of the total cost of the project must be contributed by the COOPERATOR in the form of cash, services, and/or in-kind contributions. The COOPERATOR may incur costs as specified in the Grant Application – Project Budget and be reimbursed by the NDFS. Unless otherwise noted, only those costs specifically set forth in Grant Application – Project Budget shall be allowable costs under this Agreement. All costs incurred shall be accounted for in accordance with COOPERATOR'S established rates, policy and procedures, including the payment of salaries, wages and fringe benefits for any employees paid from this Agreement. COOPERATOR shall establish and maintain books, records, documents, and other evidence, accounting procedures and practices, sufficient to reflect properly all costs of whatever nature that COOPERATOR claims to have incurred in the performance of this Agreement, including cost sharing or program income, if any.

The NDFS will reimburse COOPERATOR upon completion and passing inspection of project. Proper documentation shall be submitted to the NDFS as specified in the Reimbursement Guidelines document. The billing and match statement along with invoices shall be submitted prior to **November 28, 2025**, to the North Dakota Forest Service, 916 East Interstate Ave, Ste 4, Bismarck, ND 58503-1227.

Grant funds awarded to this project up to \$15,805

V. SUPERVISION

Refer to Grant Application – Project Narrative.

VI. RESPONSIBILITIES

The NDFS agrees to:

- Submit appropriate payment(s) to the COOPERATOR not to exceed the total amount of the grant award.

The COOPERATOR agrees to:

- Expend the grant award in the manner specified in the Grant Application.
- Contact **Beth Peske (701) 389-7503** immediately following project completion for an inspection. An inspection must be completed prior to any reimbursements.
- Assure that plant materials and plant installation meet standards outlined in the NDFS Community Forestry Tree Planting and Three-Year Maintenance Plan.
- Maintain project in accordance with the Three-Year Maintenance Plan.
- Submit before and after pictures of any tree removals.
- Submit tree inspection list.
- Include the statement “This publication is made possible through a grant from the USDA Forest Service and the North Dakota Forest Service.” in any publications or outreach materials related to this project.

VII. Unique Entity ID Number

The COOPERATOR is required to identify their organization’s Unique Entity ID. The federal government has adopted the use of Unique Entity ID to track how federal grant money is allocated and is assigned free to all businesses/entities required to register with the US Federal Government for contracts or grants. If you do not know your organization’s Unique Entity ID, visit the SAM.gov webpage at <https://sam.gov/content/entity-registration>. **This is the UEI supplied on your application: HHE6BW32JLP3**

If this is not correct, cross it off and write the correct UEI.

All entities receiving subawards greater than \$30,000 shall be registered in the Central Contractor Registration (CCR) or System for Award Management (SAM). <https://www.sam.gov/SAM/>

NDSU is required to comply with the Federal Funding Accountability and Transparency Act of 2006 and associated 2008 amendment thereto (FFATA) which is Public Law 109-282. FFATA requires NDSU to report certain first-tier subcontract greater than \$30,000 and executive compensation data. The law requires all reported information to be made publicly available, including all information reported to NDSU by Recipient. For subcontract greater than \$30,000 the recipient will fully complete and return the enclosed **Federal funding accountability and Transparency Act (FFATA) Request Form.** This form should be submitted with the signed agreement/contract and no later than 30 days from the date of the fully executed contract. Recipient must notify NDSU immediately if there is any change in Recipient’s data as supplied in the FFATA Request Form.

VIII. PROGRAM OBJECTIVES

Refer to Grant Application – Project Narrative.

IX. INCORPORATING PROVISIONS OF THE PRIME AWARD

The effort being performed under this subaward is part of the Prime Award received from:

Agency	FAIN #	Amount	Assistance Listing #	Assistance Listing Name	Award YR	NDSU Proj

USDA is an equal opportunity provider, employer, and lender.

X. INDEPENDENT CONTRACTOR

COOPERATOR herein is an Independent Contractor, not a partner or joint venturer, and shall not act as an agent or employee of the NDFS. COOPERATOR shall not have any authority, either express or implied, to enter any agreement, incur any obligations on the NDFS's behalf, or commit the NDFS in any manner without the NDFS's expressed prior written consent.

XI. LIABILITY

In accordance with North Dakota state law, COOPERATOR agrees to defend, indemnify and hold the NDFS harmless from any and all claims, injuries, damages or other liabilities arising in tort or breach of contract and resulting directly or indirectly from any intentional or negligent (including grossly negligent) acts or failure to act by COOPERATOR's officers, agents or employees, arising in favor of any person or entity.

XII. TERMINATION

In the event of default by COOPERATOR under this subaward, or in the event that the prime sponsor terminates work by NDFS on this subject matter, then performance by COOPERATOR may be terminated by the NDFS at any time by giving written notice. Such notice shall be effective upon the receipt of written notice by the COOPERATOR. COOPERATOR shall take all reasonable steps to minimize termination costs.

XIII. AUDIT

This agreement is subject to the provisions of the Single Audit Act Amendments of 1996, as implemented by OMB Circular A-133 "Audits of States, Local governments and Non-Profit Organization."

- COOPERATOR shall, upon written request of sponsor, provide a copy of COOPERATOR's most recent audit report. COOPERATOR agrees to provide copies of subsequent audit reports if requested by sponsor.
- Financial reports, supporting documents and other records pertinent to this subaward shall be retained by the COOPERATOR for a period of three (3) years from the date of final expenditures, reports; except records that relate to audits, appeals, litigation of the settlement of claims arising out of performance of this subaward shall be retained until such audits appeals, litigation or claims have been disposed of.
- COOPERATOR shall permit independent auditors (as defined in the OMB circulars) to have access to the records and financial statement as necessary to comply with the appropriate OMB circulars and this article.
- Following the awarding of grants, the NDFS will conduct project inspections to assure compliance with project contracts.

XIV. SERVICES AND EQUIPMENT

Pursuant to 2 CFR 200.216, COOPERATOR will not obligate or expend funds received under this Subaward to: (1) procure or obtain; (2) extend or renew a contract to procure or obtain; or (3) enter into a contract (or extend or a renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services (as described in Public Law 115- 232, section 889) as a substantial or essential component or any system, or as a critical technology as part of any system.

XV. CERTIFICATION

- A. Acceptance of this Subaward constitutes certification that the COOPERATOR is not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this project by any Federal department or agency.
- B. Acceptance of this Subaward constitutes certification that the COOPERATOR is not delinquent on any Federal debt.
- C. Acceptance of this Subaward constitutes certification that to the best of the COOPERATOR's knowledge and belief:
 1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the COOPERATOR, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
 2. If funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the COOPERATOR will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," to NDFS in accordance with its instructions.

D. Acceptance of this Subaward constitutes certification that COOPERATOR: has and will continue to advise its employees working on any federal awards that they are subject to the whistleblower rights and remedies of the pilot program; will inform their employees in writing of the employee whistleblower protections under 41 U.S.C. §4712 in the predominant language of the workforce; and include such requirements in any agreement made with any subcontractor.

XVI. GOVERNING LAW

The laws of the State of North Dakota, United States of America shall govern the interpretation of this subaward. The only appropriate venue for resolution of disputes to this subaward shall be in the State of North Dakota, United States of America.

IN WITNESS WHEREOF, the parties to this Agreement do hereby execute this contract and agree to abide by its terms.

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion
 Lower Tier Covered Transactions**

The following statement is made in accordance with the Privacy Act of 1974 (5 U.S.C. § 552a, as amended). This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, and 2 CFR §§ 180.300, 180.335, Participants' responsibilities. The regulations were amended and published on August 31, 2005, in 70 Fed. Reg. 51865-51880. Copies of the regulations may be obtained by contacting the Department of Agriculture agency offering the proposed covered transaction.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0505-0027. The time required to complete this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The provisions of appropriate criminal or civil fraud, privacy, and other statutes may be applicable to the information provided.

(Read instructions on page two before completing certification.)

- A. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency;
- B. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

**REQUIREMENTS FOR NOTICE OF GRANT AWARDS
BETWEEN STATE OF NORTH DAKOTA ACTING THROUGH ITS
NORTH DAKOTA DEPARTMENT OF AGRICULTURE (Department) AND
GRANTEE
FOR THE PERIOD JULY 1, 2023 THROUGH JUNE 30, 2025**

1. EVALUATION

The Department of Agriculture (Department) shall, throughout the effective dates on the Notice of Grant Award, conduct an ongoing evaluation of the Grantee performance in carrying out the Scope of Service as stated in the Notice of Grant Award (Grant Award). Compliance with Requirements for Grant Award will also be monitored. Such evaluation may include, but not be limited to, periodic site visits by the Department representatives to review progress made by the Grantee in accomplishing stated goals/objectives.

2. GRANTEE'S UNDERSTANDING OF TERM OF FUNDING

Grantee understands that this grant is a one-time grant, and acknowledges that it has received no assurances that this grant may be extended beyond its expiration date.

3. RENEWAL

This Grant Award will not automatically renew.

4. PREPAYMENT

Department will not make any advance payments before performance or delivery by Grantee under this Grant Award. Department shall make payment under this Grant Award within forty-five (45) calendar days after receipt of invoice.

5. PAYMENT OF TAXES BY DEPARTMENT

Department is not responsible for and will not pay local, state, or federal taxes. State sales tax exemption number is E-2001, Department will furnish certificates of exemption upon request by the Grantee.

6. MERGER AND MODIFICATION, CONFLICT IN DOCUMENTS

This Grant Award constitutes the entire agreement between the parties. There are no understandings, agreements, or representations, oral or written, not specified within the Grant Award. The Grant Award may not be modified, supplemented or amended, in any manner, except by written agreement signed by both parties.

7. INDEPENDENT GRANTEE

It is agreed by the parties hereto that the Grantee in performing the duties under the Grant Award is functioning as an independent Contractor and the grantor/grantee arrangements between the parties hereto in no way shall be construed as giving rise to an employer/employee relationship or any other relationship that is beyond a grantor/grantee relationship.

Grantee is an independent entity under this Grant Award and is not a Department employee for any purpose, including the application of the Social Security Act, the Fair Labor Standards Act, the Federal Insurance Contribution Act, the North Dakota Unemployment Compensation Law, and the North Dakota Workforce Safety and Insurance Act. Grantee retains sole and absolute discretion in the manner and means of carrying out Grantee's activities and responsibilities

under this Grant Award, except to the extent specified in this Grant Award.

8. ASSIGNMENT AND SUBCONTRACTS

Grantee may not assign or otherwise transfer or delegate any right or duty without Department's express written consent, provided, however, that Grantee may assign its rights and obligations hereunder in the event of a change of control or sale of all or substantially all of its assets related to this Grant Award, whether by merger, reorganization, operation of law, or otherwise. Should Assignee be a business or entity with whom Department is prohibited from conducting business, Department shall have the right to terminate in accordance with the Termination for Cause section of this Grant Award.

Grantee may enter subcontracts provided that any subcontract acknowledges the binding nature of this Grant Award and incorporates this Grant Award, including any attachments. Grantee is solely responsible for the performance of any subcontractor with whom Grantee contracts. Grantee does not have authority to contract for or incur obligations on behalf of the Department.

10. TERMINATION OF GRANT AWARD

a. Termination by Mutual Agreement. This Grant Award may be terminated by mutual consent of both parties executed in writing.

b. Early Termination in the Public Interest. Department is entering into this Grant Award for the purpose of carrying out the public policy of the State of North Dakota, as determined by its Governor, Legislative Assembly, Agencies, and Courts. If this Grant Award ceases to further the public policy of the State of North Dakota, Department, in its sole discretion, by written notice to Grantee, may terminate this Grant Award in whole or in part.

c. Termination for Lack of Funding or Authority. Department, by written notice to Grantee, may terminate the whole or any part of this Grant Award under any of the following conditions:

- (1) If funding from federal, state, or other sources is not obtained and continued at levels sufficient to allow for purchase of the services or goods in the indicated quantities or term.
- (2) If federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this Grant Award or are no longer eligible for the funding proposed for payments authorized by this Grant Award.
- (3) If any license, permit, or certificate required by law or rule, or by the terms of this Grant Award, is for any reason denied, revoked, suspended, or not renewed.

Termination of this Grant Award under this subsection is without prejudice to any obligations or liabilities of either party already accrued prior to termination.

d. Termination for Cause. Department may terminate this Grant Award effective upon delivery of written notice to Grantee, or any later date stated in the notice:

- (1) If Grantee fails to provide services or goods required by this Grant Award within the time specified or any extension agreed to by Department; or
- (2) If Grantee fails to perform any of the other provisions of this Grant Award, or so fails to pursue the work as to endanger performance of this Grant Award in accordance

with its terms.

The rights and remedies of Department provided in this subsection are not exclusive and are in addition to any other rights and remedies provided by law or under this Grant Award.

11. SPECIAL CONDITIONS

Grantee shall meet all applicable special conditions as specified in the Grant Award. Grantee understands that failure to meet the applicable special conditions of this Grant Award may result in the Department revocation of the Grant Award and Grantee repayment to Department of previously dispensed Grant funds.

12. FORCE MAJEURE

Neither Party shall be held responsible for delay or default caused by fire, riot, terrorism, pandemic (excluding COVID-19), acts of God, or war if the event was not foreseeable through the exercise of reasonable diligence by the affected Party, the event is beyond the Party's reasonable control, and the affected Party gives notice to the other Party promptly upon occurrence of the event causing the delay or default or that is reasonably expected to cause a delay or default. If Grantee is the affected Party and does not resume performance within fifteen (15) days or another period agreed between the Parties, then Department may seek all available remedies, up to and including termination of this Grant Award pursuant to its Termination Section, and Department shall be entitled to a pro-rata refund of any amounts paid for which the full value has not been realized, including amounts paid toward software subscriptions, maintenance, or licenses.

13. WORK PRODUCT, EQUIPMENT, AND MATERIALS

All work product, equipment or materials created or purchased under this Grant Award belong to Grantee.

14. NOTICE

All notices or other communications required under this Grant Award must be given by registered, certified, or electronic mail and are complete on the date mailed when addressed to the parties contained on the Grant Award.

Notice provided under this provision does not meet the notice requirements for monetary claims against the Department found at N.D.C.C. § 32-12.2-04.

15. CONFIDENTIALITY

Grantee shall not use or disclose any information it receives from Department under this Grant Award that Department has previously identified as confidential or exempt from mandatory public disclosure except as necessary to carry out the purposes of this Grant Award or as authorized in advance by Department. Department shall not disclose any information it receives from Grantee that Grantee has previously identified as confidential and that Department determines in its sole discretion is protected from mandatory public disclosure under a specific exception to the North Dakota public records law, N.D.C.C. CH. 44-04. The duty of Department and Grantee to maintain confidentiality of information under this section continues beyond the term of this Grant Award.

16. COMPLIANCE WITH PUBLIC RECORDS LAW

Under the North Dakota public records law and subject to the Confidentiality clause (section 15) of this Grant Award, certain records may be open to the public upon request.

Public records may include: (a) records Department receives from Grantee under this Grant Award, (b) records obtained by either Party under this Grant Award, and (c) records generated by either Party under this Grant Award.

Grantee agrees to contact Department promptly upon receiving a request for information under the public records law and to comply with Department's instructions on how to respond to the request.

17. SPOILIATION – PRESERVATION OF EVIDENCE

Grantee shall promptly notify Department of all potential claims that arise or result from this Grant Award. Grantee shall also take all reasonable steps to preserve all physical evidence and information that may be relevant to the circumstances surrounding a potential claim, while maintaining public safety, and grants to Department the opportunity to review and inspect the evidence, including the scene of an accident.

18. SEVERABILITY

If any term of this Grant Award is declared to be illegal or unenforceable by a court having competent jurisdiction, the validity of the remaining terms is unaffected and, if possible, the rights and obligations of the Parties are to be construed and enforced as if this Grant Award did not contain that term .

19. APPLICABLE LAW AND VENUE

This Grant Award is governed by and construed in accordance with the laws of the State of North Dakota. Any action to enforce this Grant Award must be adjudicated exclusively in the State District Court of Burleigh County, North Dakota. Each party consents to the exclusive jurisdiction of such court and waives any claim of lack of jurisdiction or forum non conveniens.

20. ALTERNATIVE DISPUTE RESOLUTION – JURY TRIAL

Department does not agree to any form of binding arbitration, mediation, or any other form of mandatory Alternative Dispute Resolution. The parties have the right to enforce their rights and remedies in judicial proceedings. Department does not waive any right to a jury trial.

21. ATTORNEY FEES

In the event a lawsuit is instituted by Department to obtain performance due under this Grant Award, and Department is the prevailing party, Grantee shall, except when prohibited by N.D.C.C. § 28-26-04, pay Department's reasonable attorney fees and costs in connection with the lawsuit.

22. NONDISCRIMINATION AND COMPLIANCE WITH LAWS

Grantee agrees to comply with all applicable federal and state laws, rules, and policies, including those relating to nondiscrimination, accessibility, and civil rights. (See N.D.C.C. Title 34 – Labor and Employment, specifically N.D.C.C. ch. 34-06.1 Equal Pay for Men and Women.)

Grantee agrees to timely file all required reports, make required payroll deductions, and timely pays all taxes and premiums owed, including sales and use taxes, unemployment compensation and workers' compensation premiums.

Grantee shall have and keep current all licenses and permits required by law during the term of this Grant Award all licenses and permits required by law.

Grantee's failure to comply with this section may be deemed, in the discretion of Department, a material breach by Grantee entitling Department to terminate in accordance with the Termination for Cause section of this Grant Award.

23. APPLICABLE COSTS

Unless otherwise authorized by federal law, the charges to be made by Grantee do not include costs financed by federal monies other than those generated by this grant.

24. CASH MANAGEMENT/ALLOWABLE COSTS/APPLICABLE REGULATIONS

Grantee shall maintain accounting and project records that are sufficient to prepare required reports, track funds to level of expenditure, provide internal control by progress, provide budget control, and assure allowable costs.

25. DEBARMENT/SUSPENSION

Grantee is advised that the signature on the Grant Award form certifies that the Grantee or any person associated therewith is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal or state agency. Grantee agrees to comply with 2 CFR Part 200.213 – Suspension and Debarment and 2 CFR Part 417 – Nonprocurement Debarment and Suspension; has not been suspended, debarred, voluntarily excluded, or determined ineligible by any federal or state agency within the past three years; and has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction on any matter involving fraud or official misconduct within the past three years. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

26. RETENTION OF RECORDS

Grantee hereby agrees to comply to maintain financial records, supporting documents, statistical records, and other pertinent records for a period of at least three (3) years after submission and acceptance of final report officially closing out the Grant Award. In cases where litigation, a claim, or an audit is initiated prior to expiration of the three (3) year period, records must be retained until completion of the action and resolution of issues or the end of the three year period, whichever is later. Retention is required for purposes of State examination or audit and is subject to examination

27. STATE AUDIT REQUIREMENTS

Pursuant to NDCC CH 54-10-19, all records, regardless of physical form, and the accounting practices and procedures of Grantee relevant to this Grant Award are subject to examination by the Department, North Dakota State Auditor, or the Auditor's designee, or Federal auditors, if required. Grantee shall maintain all these records for at least three (3) years following completion of this Grant Award and be able to provide them at any reasonable time. Department, North Dakota State Auditor, or the Auditor's designee shall provide reasonable notice to Grantee prior to conducting examination.

28. EFFECTIVENESS OF GRANT AWARD

This Grant Award is not effective until fully executed by both parties.

1. Task Order No. 5 - Mandan Street Tank Demolition

Task Order No. 5

Mandan Street Tank Demolition Contract Administration & Construction Observation

In accordance with Paragraph 1.02 of the Short Form of Task Order Agreement Between Owner and Engineer for Professional Services, dated April 13, 2021, (Agreement), Owner and Engineer agree as follows:

A. Background Data

- a. Effective Date of Task Order: _____
- b. Owner: City of Bismarck
- c. Engineer: Bartlett & West
- d. Specific Project: Mandan Street Tank Demolition
- e. Specific Project: The purpose of this Task Order is to perform Contract Administration and Construction Observation services during the demolition of the Mandan Street Tank.

B. Services of Engineer

Work to be completed by the Engineer is as follows:

Task 1 – Construction Administration

1. Provide General Construction Contract Administration. Consult with Owner and act as Owner's representative. Owner's instructions to Contractor will be issued through Engineer who shall have authority to act on behalf of Owner in dealings with Contractor. For purposes of this project, the Engineer shall not be considered a construction manager, nor shall Engineer be the Contractor's quality control/quality assurance program manager.
2. Assist the Owner in assembling and the signing of the Contract Agreement between the Owner and the Contractor.
3. Participate in a Pre-Construction Conference prior to commencement of Work at Site.
4. Review and take appropriate action in respect to Shop Drawings and other data which Contractor is required to submit, but only for conformance with information given in the Contract Documents and compatibility with the design concept of the completed Project as a functioning whole.
5. Make periodic visits to the Site at intervals appropriate to the various stages of construction, as Engineer deems necessary, in order to observe as an experienced and qualified design professional the progress and quality of the various aspects of Contractor's work.
6. Issue necessary clarifications and interpretations of the Contract Documents as appropriate for the orderly completion of the work. Such clarifications and interpretations will be consistent with the intent of and reasonably inferable from the Contract Documents.

7. Recommend Change Orders to Owner, as appropriate, and prepare Change Orders as required.
8. Render formal written decisions on all claims of Owner and Contractor relating to the acceptability of the work or the interpretation of the requirements of the Contract Documents pertaining to the execution and progress of the work.
9. Based on Engineer's review of the Contractor's Application for Payment and the accompanying support documentation, recommend the amounts that Contractor(s) be paid. Such recommendations of payment will be in writing and will constitute Engineer's representation to Owner, based on such observations and review, that, to the best of Engineer's knowledge, information and belief, the work has progressed to the point indicated, the quality of such work is generally in accordance with the Contract Documents, and the conditions precedent to Contractor's being entitled to such payment appear to have been fulfilled in so far as it is Engineer's responsibility to observe the work.
10. Receive and review maintenance and operating instructions, schedules, guarantees, bonds, certificates or other evidence of insurance required by the Contract Documents, certificates of inspection, tests and approvals, and marked-up record documents.
11. In company of Owner and Contractor, conduct a final inspection to determine in the completed Work of Contractor is acceptable so that Engineer may recommend, in writing, final payment to Contractor. Accompanying the recommendation for final payment, Engineer shall also provide a notice that the Work is acceptable to the best of Engineer's knowledge, information and belief and based on the extent of the services provided by Engineer under this Task Order.
12. The purpose of the Engineer's visits at the jobsite shall be to enable the Engineer to better carry out the duties and responsibilities assigned to and undertaken by the Engineer during the construction phase, and, in addition, by the exercise of the Engineer's efforts as an experienced and qualified design professional, to express an informed professional opinion that the completed work of the contractor will conform, in general, to the construction documents and that the integrity of the design concept of the completed Project as a function whole, as indicated in the construction documents, has been implemented and preserved by the construction contractor. The Engineer shall not be held to a higher standard of care than that prevalent in the Engineering profession. The Engineer shall not be responsible for the acts or omissions of any construction contractor, or any subcontractors, vendors, suppliers, or of any other individual or entity performing or furnishing any of the work. Engineer shall not be responsible for a construction contractor's failure to perform or finish the work in accordance with the construction documents. The Engineer shall not be liable or given the responsibility to supervise, direct or control the construction contractor's work or for the construction contractor's means, methods, techniques, sequences or procedures of construction or safety precautions or programs incident thereto, or the construction contractor's compliance with laws, rules, regulations, ordinances, codes or orders applicable to the construction contractor's furnishing and performing work.
13. The Services to be provided by the Engineer under this Authorization, and under his direction, shall be rendered in accordance with the professional standard of skill and prudence of the Engineering profession. The Engineer shall perform only those Services authorized by the Owner under this Authorization.

14. Consistent with the professional standard of care and unless specifically provided herein, the Engineer shall be entitled to rely upon the accuracy of data and information provided by the Owner, or others without independent review or evaluation.
15. The Owner agrees that in accordance with generally accepted construction practices, the construction contractor will be required to assume sole and complete responsibility for job site conditions during construction of the Project; including safety of all persons and property, and that this requirement shall apply continuously and not be limited to normal working hours. The Engineer shall not have control over or charge of, and shall not be responsible for, construction means, methods, techniques, sequences or procedures, as these are solely the responsibility of the construction contractor. The Engineer shall not have the authority to stop the work of the construction contractor as this is the sole authority of the Owner.

Task 2 – Resident Project Representative

The Engineer shall provide a full-time, on-site Resident Project Representative during the duration of the Work. The Resident Project Representative (RPR) shall:

1. Monitor the Work as an experienced and qualified technician or professional to document the progress and quality of the various aspects of Contractor's work. Activities shall include spot checking, selective sampling, and similar methods of documentation of the work based on RPR's exercise of professional judgment. Based on information obtained RPR shall determine in general if such work is proceeding in accordance with the Contract Documents and RPR will endeavor to inform Owner of the progress of the work.
2. RPR shall not, while on-site, or as a result of observations of Contractor's work in progress, supervise, direct, or have control over Contractor's work nor shall RPR have authority over or responsibility for the means, methods, techniques, sequences, or procedures of construction selected by Contractor, for safety precautions and programs incident to the work of Contractor or for and failure of Contractor to comply with laws, rules, regulations, ordinances, codes or orders applicable to Contractor's furnishing and performing the work.
3. Inspections and Tests. Require such special inspections or tests of the work as deemed reasonably necessary, and receive and review all certificates of inspections, tests and approvals required by laws, rules, regulations, ordinances, codes, orders or the Contract Documents. RPR's review of such certificates will be for the purpose of determining that the results certified indicate compliance with the Contract Documents and will not constitute an independent evaluation that the content or procedures of such inspections, tests or approvals comply with the requirements of the Contract Documents. RPR shall be entitled to rely on the results of such tests.
4. Following notice from Contractor that Contractor considers the entire Work ready for its intended use, in company with Owner and Contractor, conduct walk-through to determine if the Work is substantially complete. If RPR observes apparent defects in the completed Work, the RPR will assist Owner in consultations and discussions with Contractor concerning correction of such defects and make recommendations as to replacement or correction of defective Work. RPR will issue a Notice of Substantial Completion, including a Punch List of items left to be completed.

5. In company with Owner and Contractor, perform a final walk-through of the Project and issue a Notice of Acceptability of Work.

C. Owner's Responsibilities

Owner shall enter into an agreement with the selected contractor to perform the work.

Owner shall provide access to the site.

Owner will make timely reviews of information and other data which needs Owner approval upon receipt of information from the Engineer. In all such instances, Engineer will advise the Owner of time restraints, if any, which may apply to such reviews.

D. Task Order Schedule

It is anticipated the work will take place between July 1st and November 1st of 2024.

E. Payments to Engineer

A. Owner shall pay Engineer for services rendered under this Task Order as follows: Hourly plus reimbursable expenses not to exceed **\$55,000**. The estimated amount for Task 1 is \$18,000 and the estimated amount for Task 2 is \$37,000. The actual fee for these Tasks may be more or less than the estimated fee based on the actual duration of construction and the level of oversight required of the contractor. Compensation to the Engineer will be based on the actual level of effort. The Engineer will request prior approval from the Owner if the estimated fee is anticipated to be exceeded.

B. The terms of payment are set forth in the Agreement.

F. Terms and Conditions

Execution of this Task Order by Owner and Engineer shall make it subject to the terms and conditions of the Agreement (as modified above), which Agreement is incorporated by this reference. Engineer is authorized to begin performance upon receipt of a copy of this Task Order signed by Owner.

ITEM: Amendment No.1 to Hazard Mitigation Grant Program Pioneer Lift Station Generator Agreement

REQUEST:

Approval of Amendment No. 1 to the Hazard Mitigation Grant Program (HGMP) Cost Share Agreement for the Pioneer Lift Station Generator.

BACKGROUND INFORMATION:

In 2021, the City approved grant funding from the Hazard Mitigation Grant Program (HMGP) for the Pioneer Lift Station Generator. Under the 2021 agreement, local matching fund requirement was 15% with a 10% state contribution. We received a reallocation notification which reduces the local cost share to 7% with a 3% State of North Dakota contribution. The amendment also extends the work schedule of the agreement for completion to July of 2025.

RECOMMENDED CITY COMMISSION ACTION:

Approve Amendment No. 1 to the HGMP Cost Share Agreement for the Pioneer Lift Station receive increased federal contribution and reduce the local and state contributions for the project and extend the work completion to July 2025.

ITEM: Public hearing on Ordinance 6571

REQUEST:

Public hearing on Ordinance 6571, a request for zoning map amendment from the RM30 – Residential zoning district to the PUD – Planned Unit Development zoning district for Sonnet Heights Subdivision Ninth Replat and associated Minor Subdivision Final Plat, where the Planning and Zoning Commission recommends approval.

BACKGROUND INFORMATION:

J & D Construction is requesting approval of a minor subdivision final plat and a zoning map amendment from the RM30 – Residential zoning district to a planned unit development (PUD) on Lot 6, Block 1, Sonnet Heights Subdivision Sixth Replat. The replat would be titled Sonnet Heights Subdivision Ninth Replat. The project area is located in north Bismarck, along the east side of Normandy Street between Calvert Drive and East Lasalle Drive.

The applicant (also the developer) wishes to develop the area with a duplex and a tri-plex, with each unit on their own lot rather than the one lot that currently exists, with shared access and utilities.

The applicant initially planned to sell the proposed units as condos on a common lot in the existing RM30 – Residential district, and a site plan for this development was approved in June 2023. However, the developer then decided to sell each unit on their own lot instead.

A minor subdivision final plat is required because the developer was proposing to split the one existing lot into five lots. The creation of more than three new lots from one existing lot triggers the minor plat process. With the newly created lots, a PUD is required to accommodate the need for minor reductions to certain setbacks on some of the lots.

The attached staff report contains a complete review of the request, according to standards of the Comprehensive Plan, city ordinances, and other relevant law. Additionally, the staff report contains an overview of past public engagement related to this request.

A public hearing at the Planning and Zoning Commission meeting was held on January 24, 2024. No members of the public spoke at the hearing. Staff received one public comment via email from a collective of four nearby property owners expressing concern over access to the

proposed lots, how stormwater would be managed, and how the proposed development would impact access to the backyards of the commenting property owners.

These comments were addressed by the applicant and their consultant representative stating that the proposed lots would all be accessed via Normandy St, the development has a conditionally approved post construction stormwater management plan from City Engineering staff, and that there have never been explicit access points to the adjacent property owners via this project area because the two areas have always been separate private properties.

At the end of the public hearing, the Planning and Zoning Commission approved the plat and the zoning map amendment unanimously. An overview of the discussion at the Planning and Zoning Commission hearing is provided in the staff report.

This minor subdivision final plat appeared before the Planning and Zoning Commission public hearing with the title "Sonnet Heights Subdivision Eighth Replat" (bold for emphasis only). After the public hearing, it was brought to staff's attention that a subdivision with the name "Sonnet Heights Subdivision Eighth Replat" already exists and is recorded. As such, the name of the proposed minor subdivision final plat was changed to "Sonnet Heights Subdivision Ninth Replat" (bold, again, for emphasis only).

The Board of City Commissioners considered this item at their meeting on February 13, 2024.

RECOMMENDED CITY COMMISSION ACTION:

Hold a public hearing on the request for Ordinance 6571 for a zoning map amendment from the RM30 – Residential district to a Planned Unit Development (PUD) for Lot 6, Block 1, Sonnet Heights Subdivision Sixth Replat and take final action. Also consider the request for a minor subdivision final plat titled "Sonnet Heights Subdivision Ninth Replat, on the same area as the zoning map amendment, and take final action.

Project Narrative

J & D Construction is requesting approval of a minor subdivision final plat and a zoning map amendment from the RM30 – Residential zoning district to a planned unit development (PUD) on Lot 6, Block 1, Sonnet Heights Subdivision Sixth Replat. The replat would be titled Sonnet Heights Subdivision Ninth Replat. The applicant would develop the area with a duplex and a tri-plex, each on their own lot rather than the one lot that currently exists, with shared access and utilities. The primary needs for the PUD request are to reduce the side yard and rear setbacks for one of proposed duplex lots, to reduce the front yard setback for the tri-plex, as well as to include the private access, water and sewer easements.

The Planning and Zoning Commission considered this request at their meeting of December 20,

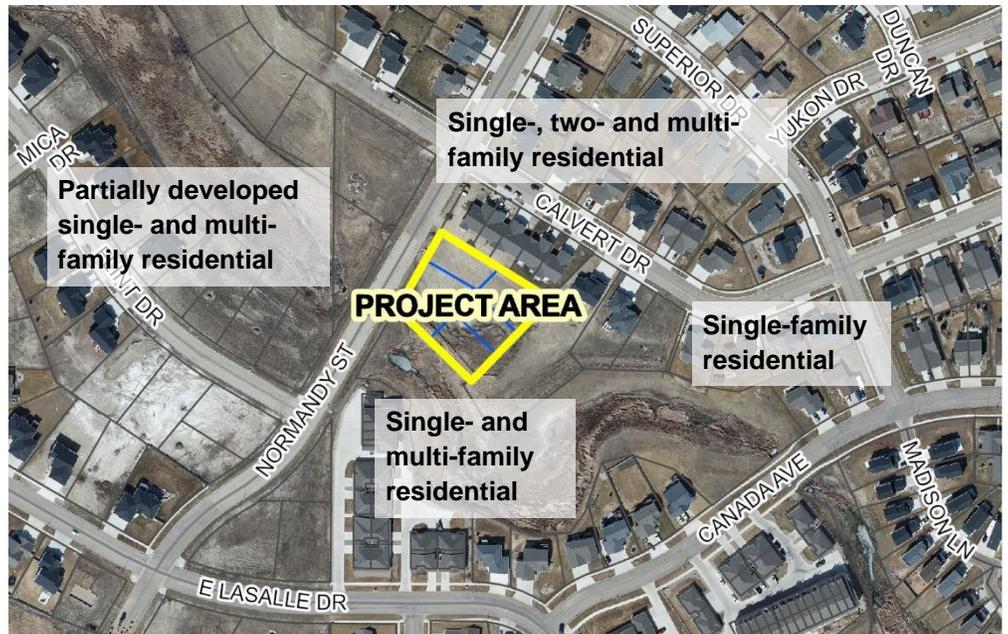

2023 and held a public hearing on the minor subdivision final plat and zoning map amendment on January 24, 2024. At the end of the public hearing, the Planning and Zoning Commission approved both items unanimously.

This minor subdivision final plat appeared before the Planning and Zoning Commission public hearing with the title “Sonnet Heights Subdivision **Eighth** Replat” (bold for emphasis only). After the public hearing, it was brought to staff’s attention that a subdivision with the name “Sonnet Heights Subdivision Eighth Replat” already exists and is recorded. As such, the name of the proposed minor subdivision final plat was changed to “Sonnet Heights Subdivision **Ninth** Replat” (bold, again, for emphasis only).

Project Context

Land uses adjacent to the project area are depicted on the adjacent map:

A Zoning and Plan Reference Map is attached to this staff report, including current zoning, the Future Land Use Plan, Major Street Plan, and Active Mobility Plan.

The property has been identified as Urban Neighborhood (UN) in the Future Land Use Plan. The UN areas are places of quiet enjoyment of home life. Goals and objectives of this plan as they relate to minor subdivision final plats and

zoning map amendments are referenced in review standards below.

The project area is surrounded by a mixture of land zoned R5 – Residential, R10 – Residential and RM30 – Residential. The adjacent land uses

(continued)

include single-family, two-family, and some multi-family residential areas.

The applicant initially planned to sell the proposed units as condos on a common lot in the existing RM30 – Residential district, and a site plan for this development was approved in June 2023. However, the developer then decided to sell each unit on their own lot instead.

A minor subdivision final plat is required because the developer was proposing to split the one existing lot into five lots; the creation of more than three new lots from one existing lot triggers the minor plat process. With the newly created lots, a PUD is required to accommodate the need for some minor reductions to setbacks on some of the lots.

Public Engagement

The public was duly notified of this request at the Planning and Zoning Commission level. A notice was published in the Bismarck Tribune on January 13 and January 19, 2024, and 58 letters were mailed to the owners of nearby properties on January 12, 2024.

Basic project information, with the ability to contact staff for more details, has been provided publicly online through the Community Development Activities map.

No members of the public spoke at the hearing. One written comment by a collective group of four nearby households was received by staff prior to the public hearing on January 24, 2023, was distributed to the Planning and Zoning Commission and summarized by staff during the oral presentation.

The signatories of the written public comment expressed concern over how the newly created lots would be accessed, how stormwater would be managed, and how the proposed development would impact access to the backyards of the commenting property owners.

These comments were addressed by the applicant and their consultant representative stating that the proposed lots would all be accessed via Normandy St, the development has a conditionally approved post construction stormwater management plan from City Engineering staff, and that there have never been explicit access points to the adjacent property owners via this project area because the two areas have always been separate private properties.

At the City Commission level, the public has been duly notified of this request via publications in the Bismarck Tribune on February 16 and February 23, 2024. Any public comments received before the public hearing at the Board of City Commissioners will be summarized in the staff report.

Review Standards and Findings of Fact

The request is evaluated according to standards contained within the Comprehensive Plan, Bismarck Code of Ordinances, and relevant state law. Findings of fact, related to land use, are presented in response to each standard.

Zoning Map Amendment

The Future Land Use Plan is adhered to with the proposed zoning map amendment ([Future Land Use Plan](#))

Yes. The proposed zoning map amendment is within the area designated as Urban Neighborhood (UN) in the Future Land Use Plan, as described in the Project Context section above. The proposed zoning district would generally conform to the character of this district.

The proposed amendment is compatible with adjacent land uses and zoning ([Goal S10-a](#), [S5-a](#))

Yes. Adjacent uses are described in the project context section above. The proposed zoning district would allow a twin home and a three-unit

(continued)

rowhouse. Development that may be anticipated from the proposed zoning would have no negative impact on the surrounding properties.

A change in conditions or by an error in the zoning map has occurred since the previous zoning classification was established ([Goal S9-e](#))

Yes. The current zoning district of RM30 – Residential was established in May 2007. Conditions have changed since this time.

This area has been replatted multiple times over several decades, primarily to address geographic constraints. With each replat, the area of the existing lot shrunk to its current size. The proposed zoning map amendment would allow for development that would fit the geography and be consistent with existing nearby developments.

Undue restriction of housing options or access to neighborhood amenities would not result from the proposed zoning map amendment ([Goal S1-a](#), [Goal T1-c](#))

Yes. The proposed zoning map amendment would enhance the diversity of housing types available to Bismarck residents and would support a mix of uses to create vibrant neighborhoods where necessities and amenities of daily life are easily accessible to all residents.

The general intent and purpose of the zoning ordinance would be adhered to with the proposed zoning map amendment (Section 14-02-01; [NDCC 40-27-03](#))

Yes. The proposed zoning map amendment would support the purpose of the zoning ordinance, as stated in the City Code of Ordinances and North Dakota Century Code.

Proper administrative procedures related to the request are being followed (Section 14-07-02, [NDCC Chapter 40-47](#))

Yes. All administrative procedures of the City Code of Ordinances and North Dakota Century

Code have been followed to date. The applicant has submitted a complete application for a zoning map amendment, and the required staff review of all submitted materials has occurred prior to the submission of this report to the Planning and Zoning Commission.

Planned Unit Development

Together 2045 Bismarck's Comprehensive Plan is adhered to with the proposed Planned Unit Development (Section 14-04-18(3)a)

Yes. The following objectives of the plan would be advanced through the proposed PUD.

S6: Encourage a diversity of housing types to meet the variety of household needs in the community.

S10: Support the arrangement of compatible land uses to minimize adjacent conflicts.

G1: Encourage infill and redevelopment of land already connected to municipal services.

T3: Ensure that the variety and quality of housing is aligned with the needs of the community.

Adequate buffer areas have been provided between any noncompatible land uses (Section 14-04-18(3)b)

Yes. There are no uses adjacent to this proposed PUD that are incompatible and require a buffer.

Natural features of the site would be preserved, insomuch as possible, including the preservation of trees and natural drainage ways (Section 14-04-18(3)c)

Yes. Directly adjacent to the project area, to the southwest, there is a coulee used for stormwater detention. The proposed PUD incorporates these existing natural features into the design of the development to the greatest extent feasible. Development would be adjacent to the coulee but would not take place within the coulee itself.

(continued)

The internal roadway circulation system within the planned unit development has been adequately designed for the type of traffic that would be generated (Section 14-04-18(3)d)

Yes. The proposed PUD is served by Normandy Street and a private access easement to the three units on the eastern side of the PUD.

The character and nature of the proposed planned unit development contains a planned and coordinated land use or mix of land uses that are compatible and harmonious with the area in which it is located (Section 14-04-18(3)e)

Yes. The proposed PUD contains only residential land uses, specifically a twin home and a three-unit rowhouse. These uses, as designed and laid out in the proposed layout in the proposed PUD, would be compatible and harmonious with the surrounding area.

The public health, safety and general welfare will not be adversely impacted by the proposed zoning map amendment (Goal S10-a)

Yes. As a cumulative result of all findings contained in this staff report, City of Bismarck staff find that the proposed zoning map amendment would not adversely impact the public health, safety, and general welfare.

Minor Subdivision Final Plat

Dimensional standards of the zoning ordinance are met with the proposed subdivision (Title 14)

Yes. All lots meet area and width requirements of the zoning district within which they are located, and there is sufficient space within each lot for anticipated buildings to meet density, setback, and lot coverage requirements. The proposed PUD reduces the side yard setback for one unit, while all other setbacks are consistent with these building types in their standard zoning districts.

Stormwater runoff impacted by this subdivision is adequately managed to protect public and private

investments and the natural environment (Goal 15, Section 14.1-04-03);

Yes. There is a plan to manage any stormwater runoff generated by this subdivision. The post-construction stormwater management permit (PCSMP) has been conditionally approved by the City Engineer.

Technical specifications required of the final plat have been met (Section 14-09-07)

Yes. The proposed final plat contains the required information to ensure an accurate and timely review by staff, the Planning and Zoning Commission, and the general public.

Proper administrative procedures related to the request are being followed (Section 14-09-04)

Yes. All administrative procedures of the City Code of Ordinances and North Dakota Century Code have been followed to date. The applicant has submitted a complete application for final plat approval, and the required staff review of all submitted materials has occurred prior to submittal of this report to the Planning and Zoning Commission. A public hearing was held for this request, and all requirements for notice of this hearing were met, as documented in this report above. Additionally, staff received one public comment prior to the Planning and Zoning Commission hearing, and staff provided copies of the comment to the Commissioners before the meeting and then discussed the comment at the hearing as described above in the Public Engagement section.

All requirements for public engagement at the City Commission level have been met as documented in this report above.

Creation of any new lots in the City of Bismarck is subject to development capital charges for municipal utilities. Utility capital charges will be due prior to recordation of the plat.

(continued)

The public health, safety and general welfare will not be adversely impacted by the proposed subdivision (Goal S10-a)

Yes. As a cumulative result of all findings contained in this staff report, City of Bismarck staff find that the proposed subdivision would not adversely impact the public health, safety, and general welfare.

Staff Recommendation

Based on the above findings, staff recommends approval of the zoning map amendment from the RM30 – Residential zoning district to a Planned Unit Development (PUD) and a minor subdivision

final plat titled Sonnet Heights Subdivision Ninth Replat.

AN ORDINANCE TO AMEND AND RE-ENACT SECTION 14-03-02 OF THE CITY OF BISMARCK CODE OF ORDINANCES (1986 Rev.), AS AMENDED, RELATING TO THE BOUNDARIES OF ZONING DISTRICTS.

BE IT ORDAINED BY THE BOARD OF CITY COMMISSIONERS OF BISMARCK, BURLEIGH COUNTY, NORTH DAKOTA:

Section 1. Amendment. Section 14-03-02 of the Code of Ordinances of the City of Bismarck, North Dakota is hereby amended to read as follows:

The following described property shall be excluded from the RM30 – Residential zoning district and included in the PUD – Planned Unit Development zoning district:

Lots 1-5, Block 1, Sonnet Heights Subdivision Ninth Replat

This PUD is subject to the following standards:

1. *Conformance to Submitted Documents*. The development must generally conform to the submitted site plan approved in conjunction with the PUD.
2. *Uses Permitted*. The uses within the district shall be limited to the following:
 - a. *Principal Uses*. The following principal uses shall be allowed:
 - i. One rowhouse building with two (2) units (i.e., twin home)
 - ii. One rowhouse building with three (3) units.
3. *Special Uses*. No uses shall be allowed with a special use permit.

4. *Dimensional Standards.* The following dimensional standards shall apply to all structures within this district:
- a. *Lot Dimensions.* Minimum lot size dimensions shall conform to the appropriate sections of the City Code of Ordinances based on the above uses.
 - i. Row house buildings with two (2) units: Section 14-04-06(2)e (R10 Residential District).
 - ii. Row house buildings with three (3) to eight (8) units: Section 14-04-07(2)e (RM Residential District).
 - b. *Front Yards.* The minimum front yard setback from Normandy Street shall be twenty-five (25) feet. The minimum front yard setback from the shared access easement shall be twenty (20) feet.
 - c. *Side Yards.* All buildings shall have side yards in accordance with the appropriate sections of the City Code of Ordinances based on the above uses:
 - i. Row house buildings with two (2) units: Section 14-04-06(2)e (R10 Residential District).
 - ii. Row house buildings with three (3) to eight (8) units: Section 14-04-07(2)e (RM Residential District).

With the exception of Lot 2, Block 1, which shall have a side yard which at no point measures smaller than three (3) feet.
 - d. *Rear Yards.* All buildings shall have rear yards in accordance with the appropriate sections of the City Code of Ordinances based on the above uses:
 - i. Row house buildings with two (2) units: Section 14-04-06(2)e (R10 Residential District).
 - ii. Row house buildings with three (3) to eight (8) units: Section 14-04-07(2)e (RM Residential District).

With the exception of Lot 2, Block 1, which shall have a rear yard which at no point measures smaller than three (3) feet.
 - e. *Height.* All buildings shall have a height limit in accordance with the appropriate sections of the City Code of Ordinances based on the above uses.
 - i. Row house buildings with two (2) units: Section 14-04-06(2)e (R10 Residential District).

- ii. Row house buildings with three (3) to eight (8) units:
Section 14-04-07(2)e (RM Residential District).

5. *Development Standards.* The following development standards shall apply to all development within the district.

a. *Off-Street Parking and Loading.* All off-street parking and loading must conform to the submitted site plan and be in full compliance with Section 14-03-11 of the City Code of Ordinances (Off-Street Parking and Loading).

b. *Landscaping and Screening.* Street trees and buffer yard landscaping must be installed in accordance with the submitted landscape plan contained within the site plan. Deviation from this plan may only be allowed if in full compliance with Section 14-03-11 of the City Code of Ordinances (Landscaping and Screening).

6. *Modifications.* This PUD shall only be amended in accordance with Section 14-04-18(4) of the City Code of Ordinances (Planned Unit Developments). Major modifications require a public hearing and approval by the Bismarck Planning & Zoning Commission.

Section 2. Repeal. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

Section 3. Taking Effect. This ordinance shall take effect upon final passage, adoption and publication.

Community Development Department

DATE: February 27, 2024

FROM: Ben Ehreth, Community Development Director

ITEM: Public hearing on Ordinance 6572

REQUEST:

Public hearing on Ordinance 6572, the annexation of Lot C, Section 19 and Lot B, Section 30, Hay Creek Township, where the Planning and Zoning Commission recommends approval.

BACKGROUND INFORMATION:

The Park District of the City of Bismarck is requesting approval of the annexation of Lot C, Section 19 and Lot B, Section 30, Hay Creek Township. The requested action will bring that part of lands not previously annexed into the corporate limits to incorporate into the future nature-based recreation park. The area is in northwest Bismarck, east of River Road, north of Burnt Boat Drive and south of Valley Drive.

The Planning and Zoning Commission considered this request on December 20, 2023. As this final consideration was not a public hearing, no residents spoke or submitted written comments regarding this request. At the conclusion of the final consideration and based on the findings contained in the staff report, the Planning and Zoning Commission unanimously recommended approval of the annexation of Lot C, Section 19 and Lot B, Section 30, Hay Creek Township to incorporate into the future nature-based recreation park north of Burnt Boat Drive and south of Valley Drive.

In accordance with NDCC 40-51.2-07, both Burleigh County and Hay Creek Township have been notified of this request.

RECOMMENDED CITY COMMISSION ACTION:

Hold a public hearing on February 27, 2024, meeting on the annexation as outlined in Ordinance 6572, and take final action on the request.

Review Standards and Findings of Fact

The request is evaluated according to standards contained within the Comprehensive Plan, Bismarck Code of Ordinances, and relevant state law. Findings of fact, related to land use, are presented in response to each standard.

The Growth Phasing Plan is adhered to with the proposed annexation ([Growth Phasing Plan](#))

Yes. The proposed annexation incorporates land that is within the Urban Service Area Boundary and has been designated as Expansion Priority 1.

Adequate public facilities are or will be available to serve the annexed properties completely and equitably ([Goal G3-b](#), [Goal G3-c](#))

Yes. The City of Bismarck and/or other agencies would be able to provide necessary public services, facilities, and programs to serve any development allowed by the annexation at the time the property is developed. However, the land is expected to remain undeveloped.

The proposed annexation is a logical and contiguous extension of the current corporate limits of the City of Bismarck ([Goal G2-b](#), [NDCC 40-51.2-03](#))

Yes. The area proposed annexation is clearly contiguous to the existing corporate boundaries. 100% of the proposed annexation's perimeter adjoins corporate limits. Generally, any proportion greater than 20% is considered unambiguously contiguous.

Proper administrative procedures related to the request are being followed ([NDCC 40-51.2](#))

Yes. All administrative procedures of the City Code of Ordinances and North Dakota Century Code have been followed to date. A written petition for the proposed annexation was submitted to the Community Development Department, which has been deemed valid by City staff. A public hearing, subject to all notice requirements, will be held with the City Commission.

The public health, safety and general welfare will not be adversely impacted by the proposed annexation ([Goal S10-a](#))

Yes. As a cumulative result of all findings contained in this staff report, City of Bismarck staff find that the proposed annexation would not adversely impact the public health, safety, and general welfare.

Staff Recommendation

Based on the above findings, staff recommends approval of the annexation of Lot C, Section 19 and Lot B, Section 30, Hay Creek Township as outlined in the draft annexation ordinance.

Public Works Utility Operations

DATE: February 27, 2024

FROM: Michelle Klose, Director Public Works Utilities

ITEM: Amendment No. 1 to South Central Regional Water Contract

REQUEST:

Approve Amendment No. 1 to the 2019 South Central Regional Water District Contract.

BACKGROUND INFORMATION:

The previous rates prior to December 31, 2023, were set through the prior agreement. A prior authorization of this change was approved by the Commission on December 26, 2023; however, it was unintentionally only to remain until 2025, not 2035. We are requesting that the water rate from January 1, 2024, to December 31, 2035, will reflect a 39.7 cent per unit reduction on the Average Yearly Usage scaled quantity as noted per annum and shown on the attached Exhibit A, so long as South Central uses less than the maximum scaled amounts per annum. The water rate is \$4.87 per each 100 cubic feet (748 gallons) of water starting January 1, 2024. The rate includes the cost of service and the 10% markup. The cost of service was developed through the 2018 Rate and Cost of Service study and the 2023 Rate Review. The CITY will make annual adjustments to the water rate at the same percent increase as other user rates. Periodically, the cost of service will have a more detailed review in conjunction with the review of all Utility Operation rates by the CITY, and the price will be increased accordingly.

RECOMMENDED CITY COMMISSION ACTION:

Approve Amendment No. 1 to the 2019 South Central Regional Water District Contract to recognize the rate reduction through 2035.

**FIRST AMENDMENT TO CITY OF BISMARCK WATER SERVICE CONTRACT WITH
SOUTH CENTRAL REGIONAL WATER DISTRICT**

This First Amendment to City of Bismarck Water Service Contract (this “**Amendment**”) is entered into by and between the City of Bismarck, a North Dakota municipal corporation, Bismarck, North Dakota (“**City**”) and South Central Regional Water District, Bismarck, North Dakota (“**SCWD**”), and

WHEREAS, **City** and **SWCD** are parties to that certain Water Service Contracts dated January 15, 2019 and January 22, 2019, (the “**Agreement**”);

WHEREAS, **City** and **SWCD** wish to change some of the terms of the **Agreement**.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed as follows:

1. Section 8 of the **Agreement** is deleted and replaced with the following:
 8. WATER SERVICE, WATER RATES AND PAYMENT FOR WATER SERVICE:
The USER agrees to make payments for water service in accordance with the following terms and conditions:

The previous rates prior to December 31, 2023, were set through the prior agreement. The water rate from January 1, 2024, to December 31, 2035, will reflect a 39.7 cent per unit reduction on the Average Yearly Usage scaled quantity as noted per annum and shown on the attached Exhibit A, so long as South Central uses less than the maximum scaled amounts per annum. The water rate is \$4.87 per each 100 cubic feet (748 gallons) of water starting January 1, 2024. The rate includes the cost of service and the 10% markup. There is no additional meter fee, utility account processing fee, or capacity charge, except as those items impact the cost of service studies in the future. The cost of service was developed through the 2018 Rate and Cost of Service study and the 2023 Rate Review. The CITY will make annual adjustments to the water rate at the same percent increase as other user rates. Periodically, the cost of service will have a more detailed review in conjunction with the review of all Utility Operation rates by the CITY, and the price will be increased accordingly.

The CITY will furnish to the USER a monthly utility bill for water service. All payments for water service shall be made no later than 15 days following receipt of the statement from the CITY.

Payments not made within 45 days of the billing shall be considered delinquent and in default.

During any period when the USER is in default, the USER shall remain obligated to make all payments required under this contract. Any action of the CITY pursuant to this section

shall not limit or waive any remedy provided by the contract or by law for the recovery of money due or which may become due under this contract.

Every payment required to be paid by the USER to the CITY under this contract, which is unpaid after 45 days shall be imposed a penalty of one and one-half percent (1.5%) per month of the amount of such delinquent payment

2. All of the other terms, conditions and provisions of the January 15, 2019 and January 22, 2019, Agreement with the prior amendment not specifically amended by this Amendment or prior Amendments to the Agreement shall remain in full force and effect.
3. This **Amendment** may be executed in any number of counterparts, each of which so executed shall be deemed original; such counterparts shall together constitute but one agreement. Facsimile and/or digitally transmitted signatures shall be sufficient to bind the Parties and shall in all respects be treated in City proceedings or otherwise as the legal equivalent of an original signature. This **Amendment** is effective upon full execution by all parties.

FROM: Gabe Schell, City Engineer

ITEM: South Washington Street Reconstruction Project, AC-NHU-1-981(137), City Project HC 158, Street Improvement District SI 580, and Sewer Improvement District SE 584.

REQUEST:

Consider approval of award concurrence of South Washington Street Reconstruction Project, AC-NHU-1-981(137), City Project HC 158, resolution receiving bids and ordering preparation of the Engineer's Statement and resolution awarding bids for Street Improvement district SI 580 and Sewer Improvement district SE 584.

BACKGROUND INFORMATION:

The South Washington Street Reconstruction Project, AC-NHU-1-981(137), City Project HC 158, will reconstruct South Washington Street from Burleigh Avenue to the south Bismarck drainage ditch. On November 28, 2023, the Commission approved a development agreement with MBR Properties, LLC (MBR) to include work that benefits the Paradise Valley Additions within the HC 158 project limits with the reconstruction project.

Under the development agreement, Sewer Improvement District SE 584 was created on November 28, 2023, to special assess storm sewer improvements within the project limits that benefit the Paradise Valley Addition and the proposed Paradise Valley Second Addition (Paradise Valley Additions). Additionally, a letter of credit has been received from MBR to fund sanitary improvements benefitting Paradise Valley Additions.

Also included with HC 158, at the request of the developers of Paradise Valley Additions and Meadow Village Second Addition by receipt of street petitions, street improvements along Burleigh Avenue that benefit these developments will be included with the project and funded under Street Improvement District SI 580, created November 14, 2023.

Both Engineering Reports, SI 580 and SE 584, can be found on the city website at www.bismarcknd.gov/Streets.

The engineer's estimate for project AC-NHU-1-981(137), City Project HC 158, is \$16,242,282.10, inclusive of SI 580 and SE 584. The City and NDDOT entered into a Cost Participation and Maintenance Agreement on [February 13, 2024](#). Bids were received on February 16, 2024 through the North Dakota Department of Transportation and a bid tabulation is attached. There were two bidders with the low bid submitted by Knife River Corporation in the

amount of \$16,986,618.65. The project budget will be distributed prior to the commission meeting.

RECOMMENDED CITY COMMISSION ACTION:

Concur with North Dakota Department of Transportation (NDDOT) in the award of the South Washington Street Reconstruction Project, AC-NHU-1-981(137), City Project HC 158 contingent on NDDOT concurrence.

Consider Request for Resolution Receiving Bids and Ordering Preparation of the Engineer's Statement for Districts SI 580 and SE 584.

Consider Request for Resolution Awarding Contract for Districts SI 580 and SE 584 contingent upon concurrence with the NDDOT for AC-NHU-1-981(137).

FROM BURLEIGH AVE N TO WACHTER AVE-BISMARCK**

Dear Mr. Schell:

Bids for the construction on the above noted project were taken at our bid opening of February 16, 2024. A copy of the Contract Detail Estimate and Abstract of Bids are enclosed.

The low bid for Grading, Aggregate Base Course, PCC Pavement, Hot Mix Asphalt, Curb & Gutter, Milling, Shared Use Path, Sidewalk, Storm Sewer, Watermain, Force Main, Lighting, Traffic Signal, Signing, Pavement Marking & Traffic Signal Interconnect was submitted by Knife River Corporation - North Central of Sauk Rapids, MN in the amount of \$16,986,618.65. According to the agreement with the City of Bismarck, the City's share for **AC-NHU-1-981(137)** is estimated to be \$14,010,930.51. NHU Federal Funds is Limited to \$4,500,000. The balance of the project cost is the obligation of the City. NDDOT to reimburse City Federal Funds in 2026 when funding is available. The City's is 100% responsible for **CPU-1-981(140)** \$174,350.00.

The Department will review the low bidder's proposal to assure that the Disadvantaged Business Enterprise Program requirements have been met. Upon review of the contractor's Disadvantaged Business Enterprise Program, the Department will advise you via email whether this project may be awarded. The City must award the contract before the Department will concur in the award; therefore, the City must notify the Department in writing as soon as possible after the award is made. Contracts cannot be executed prior to the date of the Department's concurrence.

Questions should be addressed to the Construction Services Division at 701-328-2566.

ACTION TAKEN BY DEPARTMENT OF TRANSPORTATION
Deputy Director For Engineering:

AWARD TO: KNIFE RIVER CORPORATION - NORTH CENTRAL

WHEN PRELIMINARY ARRANGEMENTS ARE COMPLETED.

Engineering Department

DATE: February 27, 2024

FROM: Gabe Schell, City Engineer

ITEM: Street Improvement District SI 577 - Part A and Part B.

REQUEST:

Consider the request for resolution receiving bids and ordering preparation of the Engineer's Statement and request for resolution awarding contracts for Street Improvement District SI 577 - Part A and Part B.

BACKGROUND INFORMATION:

Street Improvement District 577 consists of seven units (153 blocks) of street maintenance. Street maintenance would include areas of resurfacing and reconstruction. Resurfacing would include patching, leveling, milling, overlay, chip seal, curb repair and related items; reconstruction would include curb repair, full depth pavement removal and replacement, subgrade modification, stormwater and ground water improvements and related items. Given the size of the district, it will be in two parts, Part A and Part B.

The Engineering Report along with the district boundary maps have been posted to the city website under Special Assessment District Information at www.bismarcknd.gov/streets.

The engineer's estimate for Part A is \$3,032,780; bids will be received on February 21, 2024. The engineer's estimate for Part B is \$4,250,375; bids will be received on February 22, 2024. The bid summaries and project budgets for both Part A and Part B will be distributed prior to the commission meeting.

ITEM: Sewer Improvement District SE 582/WPSP 392

REQUEST:

Consider the request for resolution receiving bids and ordering preparation of the Engineer's Statement and resolution awarding contract for Sewer Improvement District SE 582/WPSP392.

BACKGROUND INFORMATION:

Sewer Improvement District SE 582 consists of one unit of new storm sewer and related work in Paradise Valley and Paradise Valley 2nd Additions. SE 582 will be constructed under the same contract as the water and sanitary sewer installation for Paradise Valley additions, Water and Sewer Improvement Project WPSP 392. In accordance with the development agreement, the developer, MBR Properties, LLC, will fund WPSP 392.

The approved Engineering Report for SE 582 along with the district boundary map has been posted to the city website at www.bismarcknd.gov/streets.

The engineer's estimate for SE 582 and WPSP 392 is \$8,516,000; bids will be received on February 22, 2024. The bid summary and project budget will be distributed prior to the commission meeting.

ITEM: City Concrete District (CC)24 - Parts A-1, A-2, and B

REQUEST:

Request for resolution creating district Parts A-1, A-2, and B, Resolution Approving Plans and Specifications, and authorization to advertise and receive bids for City Concrete (CC)24 - Parts A-1, A-2, and B

BACKGROUND INFORMATION:

This project includes the annual city concrete contracts to construct concrete sidewalks, driveways and other concrete as petitioned by land developers or homeowners and as needed by any city department during the 2024 construction season. The project is divided into three separate contracts. Contractors may submit a bid for any or all of these three parts of the city concrete contract.

The contracts are divided as follows:

Part A-1 - New Sidewalk, Driveway Aprons and Driveway Widening.

Property owners or developers will submit a petition for the improvements and designate whether they are to be installed by a private contractor or the city contractor (under this contract). If the improvements are to be installed by the city contractor, the petitioner may elect to pay for them directly or through a special assessment. The area and amount of this work will be determined by the petitions received.

Part A-2 - Sidewalk Gaps

Each year the City Commission determines which areas of the city to focus on to close the sidewalk gaps (see attached maps). Staff receives numerous requests from citizens identifying gap closure requests. Additionally, staff has reviewed areas of the city where there is a high probability of pedestrian traffic and a sidewalk gap prevents or limits pedestrian movements. This project contributes to the adopted strategic plan focus areas of all ages & all wages as well as complete connectivity.

This year staff recommends areas shown in blue on the attached maps. A list of the benefitting addresses and approximate lengths of sidewalks are included as exhibits. Included in this year's recommended sidewalk gap closures are areas of undeveloped lots within mostly developed areas and areas of known and potential pedestrian activity connecting parks,

commercial and/or residential properties.

Engineering will also be rolling out a new tool for the public to provide input on sidewalk connectivity in our community. The public will be able to engage with this tool and describe pedestrian crossing or gap issues. Engineering will use this information to inform decisions and recommendations we make for the sidewalk gap project and also our annual street maintenance projects. We will showcase this new tool in multiple locations on the city website and will support the rollout with additional public outreach. The link below is live and ready for public engagement <https://arccg.is/0iDSqv0>.

If the Commission approves the sidewalk gap areas, staff will send letters to the property owners with the sidewalk gaps. The property owner has the option to have the work completed by a private contractor or the city contractor. If the improvements are to be installed by the city contractor, the property owner may elect to pay for them directly or through a special assessment. If the property owner fails to return their petition by a specified date, those sidewalks will be constructed by the city contractor and special assessed to the benefiting property.

Part B - Hazardous Sidewalks and Miscellaneous Concrete Repair

Each year the City Commission determines which areas of the city to have staff inspect the sidewalks to identify and correct any hazardous sidewalks in those areas. This year staff recommends the area marked as 2024. The project area represents approximately 29.4 miles of existing sidewalk. Part B also will include miscellaneous concrete repairs paid through other City departments. These areas are usually related to concrete restoration after a water main break or curb and gutter damage caused by snow removal operations. All costs related to this contract are paid through the requesting City department's budget and are not special assessed.

If the Commission approves the areas for hazardous sidewalk inspections, staff will inspect all sidewalks in these areas. Additionally, staff will respond to complaints and requests regarding hazardous sidewalks throughout the community. For any sidewalk not meeting the City's specifications, the property owner of the hazardous sidewalk will be sent a letter asking them to correct the hazard. The property owner will have the option to have the work completed by a private, City-approved contractor or the City contractor. If the improvements are to be installed by the City contractor, the property owner may elect to pay for them directly or through a special assessment. If the property owner fails to return their petition by a specified date, those sidewalks will be constructed by the City contractor and special assessed to the benefiting property. The area and amount of this work to be performed are not known until after the staff evaluation is complete, so it is not possible to include the properties in a pre-approved list at this time.

Finance Department

DATE: February 27, 2024

FROM: Dmitriy Chernyak, Finance Director

ITEM: Vision Fund Replenishment

REQUEST:

Consider requesting resources from NPCC to refill the Vision Fund for projects and ongoing costs.

BACKGROUND INFORMATION:

The Vision Fund has a non-committed balance of less than \$300,000. Annually, the Vision Fund pays \$200K - \$250K in fees for economic development in addition to annual projects / applications that are submitted to the Vision Fund Committee more frequently with the current interest rate environment. Vision Fund uses funds to provide loans to businesses/development at a below-market interest rate based on an established criterion, which should create a benefit for development. The Vision Fund Committee discussed future resources at the February 16, 2024, meeting. Vision Fund Committee is requesting that the City Commission approve a transfer of \$1 million from the Northern Plains Commerce Center (NPCC) to cover future approved low-interest rate loans for economic development projects. The purchase/sale of properties in the Northern Plains Commerce Center (NPCC) was original financed by the Sales Tax Fund in 2006 as an economic development project. Properties were developed and sold by the City since then and accumulated a cash balance from those proceeds.

RECOMMENDED CITY COMMISSION ACTION:

Approve a transfer of \$1 million from the NPCC Fund to the Vision Fund.

ITEM: Department Director Employment and Performance Policy.

REQUEST:

Continued discussion and approval of department director employment and performance processes.

BACKGROUND INFORMATION:

At the January 23, 2024, City Commission meeting, the Board reviewed the amended Department Director Employment and Performance Process Policy. At the meeting, the Commission directed staff to amend the drafted policy regarding how the City Administrator interacts with the City Commission regarding supervision of department directors. The amended policy is attached for consideration and approval.

RECOMMENDED CITY COMMISSION ACTION:

Approve the department director employment and performance process policy.

DEPARTMENT DIRECTOR EMPLOYMENT AND PERFORMANCE PROCESSES

For all department directors protected by civil service, the following additional steps are required with their employment:

1. When a vacancy occurs in a department director position, the Human Resources Director shall consult with the City Administrator and portfolio holders affected to develop a plan for filling the vacancy to be presented to the City Commission for approval. That plan will detail the types of examinations, composition of interview panel(s) and proposed timeline for the process.
2. For every probationary and annual performance evaluations for a department director, the City Administrator shall provide the draft evaluation to the portfolio holder(s) for review and input at least five days prior to the scheduled time for meeting with the department director.
3. Prior to any adverse employment action, the City Administrator will record the attempt to inform and discuss the action with the portfolio holder of the plan for such action. Adverse employment action will include, but not be limited to, a disciplinary warning, performance improvement plan, suspension, or termination of a department director. If a department director is placed on paid administrative leave, the City Administrator will notify the portfolio holder as soon as practicable, recognizing that placing an employee on paid administrative leave may require immediate action to protect the City. All civil service processes and protections remain for department directors.

ITEM: Assistant City Administrator Recruiting

REQUEST:

Provide direction for recruiting to fill the vacant Assistant City Administrator position.

BACKGROUND INFORMATION:

Jason Tomanek was selected as the City Administrator on February 15, 202402/15/2024. Typically, the process for filling appointed and director-level positions involves a competitive process coordinated by the Human Resources Department Director and staff. Based on discussions between the Mayor and Jason, we'd like to move forward with recruiting internally to city employees to fill the position. The process would include the accomplishments survey, the General Management In Box exercise, and interviews with the city commission.

RECOMMENDED CITY COMMISSION ACTION:

Provide approval to recruit internally for Assistant City Administrator.

ITEM: Vision Fund Application | Cloverdale Foods Company

REQUEST:

Consider approval of the application by Cloverdale Foods Company PACE Loan interest rate buy down for and expansion project necessary to accommodate growth.

BACKGROUND INFORMATION:

The Vision Fund Committee met on Friday, February 16, 2023, and discussed the status of the application submitted by Cloverdale Foods Company in 2020. The Vision Fund commitment for this project would be a portion of the PACE Loan interest buydown in the amount of \$133,503.40. The terms of the Vision Fund loan would be a 5-year buydown, with a 5-year repayment at zero percent interest. The Lewis & Clark Development Group will waive the 1% loan servicing fee in lieu of a one-time payment of \$1,500, which will be paid by Cloverdale Foods Company. It was noted that the project is more than 180 days past the initial approval, which caused it to be voided and expired. Attorney Combs noted that a project extension is not an option because the application has expired. The committee discussed a means to move the project forward based on the previous approvals and application information. The Vision Fund Committee voted unanimously to move the Cloverdale Foods Company application to Phase 2 for review by the Board of City Commissioners.

RECOMMENDED CITY COMMISSION ACTION:

The Vision Fund Committee recommends approval of the application as presented.

Title

Cloverdale Foods Expansion 2020-2021

Project Summary and Economic Impact

Cloverdale Foods Company is experiencing significant growth and needs a large expansion to accommodate that growth. Cloverdale experienced a 22% growth rate in 2019; which created 64 new jobs and 6M pound increase in manufactured pounds. We are predicting a 10% increase in 2020 and additional 3.8M pound increase in manufactured pounds. The warehouse is currently at capacity and we have already had to start utilizing offsite storage both locally and out of state to help relieve high peak seasons. The bacon category has experienced the largest growth at 39% in 2019 equivalent to a 4.9M pound increase. The NE plant addition is necessary to sustain this growth and allow for dedicated raw meat dock area, bacon holding cooler area, and bacon injection area. The impact to the City of Bismarck and the surrounding economic base are numerous and beneficial. Job creation ranging from entry level up to manager level will occur. This will increase households in the community, which will in turn impact the following sectors: public education, local banking, insurance, housing/rental properties, vehicle purchases, and utility needs. The larger facility will increase utilities, local mechanical, electrical and parts needs.

Highlights of Bismarck Impact:

- Approximately 55% or 220 of Cloverdale employees live in Bismarck
- 80% Rent apartments and 20% own
- Employees that Rent Contribute:
 - Approx. \$1.475M of Rental Income Annually
 - Approx. \$210k of Utilities Annually
- Groceries sales impact is approx. \$800k Annually
- Bismarck Airport Plan Tickets Spend approximately \$170k in 2019
- Maintenance and Parts needs approximately \$250k Annually

Cloverdale Foods Expansion 2020-2021

Project Specifics:

Warehouse Addition/Remodel – 44,000 sf warehouse addition on the northwest side of the plant. It would allow Cloverdale to grow from approximately 35M up to 70M Pounds annually. Our production flow of product putaway, picking orders, and storing product will be greatly enhanced.

NE Plant Addition– 8,000 sf cooler/freezer addition. This addition will allow us to have a dedicated dock for raw meat handling and additional cooler and injection space for processing our Bacon Growth. Our production process for Bacon will get streamlined, become more efficient, and allow us to grow quicker.

Office Addition – 3,000 sf office space additions above the new warehouse dock area.

Major Utility Upgrade – A large electrical and ammonia upgrade will be simultaneously under construction in lieu of these additions. Currently our electrical system is almost at max amp capacity. In order to install new equipment or run the new warehouse addition we need these 2 major utility upgrades.

Site Improvements – Additional investments will need be needed for a parking lot in the lot across the street and a potential road improvement project on 34th Street.

Total cost of all these components is currently estimated between \$17M to \$20M. As the RFP process wraps up, a more specific budget will be available. It will take approximately 18 months to complete the project and be in occupancy.

Describe what your company does to add value to your product, process, or service.

Cloverdale is a wholesale meat processor and through its unique and proprietary processes creates finished goods categories of bacon, hams, franks, and summer sausage.

**MINUTES
VISION FUND COMMITTEE
June 11, 2020**

The Vision Fund Committee met in special session at 11:00 a.m. on June 11, 2020 in the Tom Baker Meeting Room in the City/County Building. Those present included: Steve Marquardt, Kevin Strege and Andrea Petersen. Also present included: Nathan Schneider, Brian Ritter, Keith Hunke, Ellen Huber, Kristine Kostuck, Jannelle Combs, Jason Tomanek and Cloverdale representatives Miranda Bergquist, Scott Staudinger and Scott Russell.

Chairman Marquardt called the meeting to order.

MINUTES

Chairman Marquardt called for consideration of the minutes from the meeting on May 9, 2019.

MOTION - Mr. Strege moved to approve the minutes as presented. Ms. Petersen seconded the motion. All present voted in favor.

CONSIDERATION – Request from Cloverdale Foods Company

Chairman Marquardt announced the next item of business was for the consideration from Cloverdale Foods Company's preliminary application for assistance in the form of a PACE Loan interest rate buy down for their expansion project 2020-2021.

Cloverdale representatives Miranda Bergquist, Scott Staudinger and Scott Russel all provided the committee with information about the expansion. The purposed expansion includes a parking lot, office addition, utility upgrades and a plant addition, which will include a cooler/freezer addition.

The committee was also informed of the possible positive outcomes the expansion would bring, not just for the community of Mandan, where the company is located, but also to the City of Bismarck.

In addition, Nathan Schneider, Vice President of the Bismarck-Mandan Chamber EDC, provided additional information for the committee regarding Cloverdale Foods' past Vision Fund application and Mandan's process in providing the company with funding for their project.

The total cost of the proposed expansion is currently being estimated between \$17 million to \$20 million.

The Vision Fund commitment for this project would be a portion of the PACE Loan interest buydown in the amount of \$133,503.40. The terms and conditions

of the Vision Fund loan would be a 5-year buydown, 5- year repayment at zero percent interest. The Lewis & Clark Development Group will waive the 1 percent loan servicing fee in lieu of a one-time payment of \$1500.00 which will be paid by Cloverdale Foods Company.

MOTION - Mr. Strege moved to approve the preliminary application as presented. Ms. Petersen seconded the motion. After further discussion regarding Mandan's approval process, Chairman Strege amended his motion to move the application as a full application to the Bismarck City Commission for consideration. Ms. Petersen seconded the motion. All present voted in favor.

The application is anticipated to be presented to the City Commission at the June 23, 2020 meeting. If approved by the Commission, construction for the project will begin within weeks of the meeting. The expansion is expected to take approximately 18 months to complete.

OTHER BUSINESS

Mr. Strege asked Chairman Marquardt, a member of the Bismarck City Budget Committee, if there was an opportunity for the City of Bismarck to expand funding to the Vision Fund Committee. Chairman Marquardt stated he will address the request at the next Budget Committee Meeting.

The meeting was adjourned at 11:33 a.m.
