Bismarck Veterans Memorial Public Library

2023-2030 Strategic Plan
EXECUTIVE SUMMARY

INTRODUCTION AND CONTEXT

The Bismarck Veterans Memorial Public Library (BVMPL) provides a wide variety of programs and services to Bismarck-Burleigh County, a population of 99,000. The library operates a 70,000 square foot building. Two outreach services, Bismarck Mobile Library and Burleigh County Library, ensure all residents of the county have access to library material. A five-member board of trustees, appointed by the Bismarck City Commission, provides planning and financial oversight. BVMPL is fortunate to have two active and effective fundraising arms: Bismarck Library Foundation, Inc. and Friends of the Bismarck Public Library.

Planning and groundwork for the 2023-2030 Strategic Plan took place in 2022. The plan provides direction and a cohesive vision for the library. The plan outlines the library’s goals relating to the building and grounds, internal policies and communication, collections, services, outreach, and partnerships. These goals and associated objectives position the library to better serve the Bismarck-Burleigh County community as a relevant and high-achieving public service organization. We will leverage our strengths gained from meeting the objectives to serve as the community’s “third space,” a communal space distinct from work and home.

The plan prepares BVMPL to adapt to changes in our community so we may continue to successfully meet the needs of our patrons. It reflects the best of who we are, highlighting the passion and commitment of staff, volunteers, and stakeholders.

STRATEGIC PLAN 2015-2022

BVMPL's 2023-2030 Strategic Plan builds on the accomplishments and strengths gained through the library’s Strategic Plan 2015-2022. The plan had 67 unique goals; 61 of these goals saw completion, or 91% completion rate. The library reached these impressive accomplishments thanks to the dedicated public service of the staff, volunteers, board of trustees, Bismarck Library Foundation, Friends of the Bismarck Public Library, and commission liaisons.

The bookmobile reaches citizens throughout the entire county. In my area, 10 miles from town, children line up to check out books. Many seniors who do not drive and are homebound can get books through the bookmobile in their neighborhoods, Burleigh County Senior Center, and assisted living centers. I am an avid reader on a budget. The bookmobile and the library are my go-to. I read 2-3 books a week and could not do that without our fabulous bookmobile and library.
