REMODELING EXEMPTION GUIDELINES
(APPROVED BY BISMARCK CITY COMMISSION OCTOBER 28, 2014)

1. The exemption will be for a maximum of 3 years.
2. The exemption will be for remodeling and will include additions to a residential structure.
3. The property owner must apply for the exemption and be approved for the exemption with the Assessor's office prior to commencement of the improvement. Commencement of the improvement means the start of any remodeling, pouring of footings or foundations. The moving of dirt is not considered the commencement of improvement.
4. A permit must be issued prior to commencement of the improvement.
5. The property whether commercial or residential must be 30 years or older at the time of the application in order to qualify for the exemption.
6. The exemption will not include additions to commercial properties.
7. The exemption will not be allowed for repairs due to flood, fire, or tornado damages.
8. A property may be allowed one remodeling exemption per property per assessment year. The first remodeling exemption must be complete and expired prior to the approval of a 2nd application for the remodeling exemption. (i.e. a new business, remodeling, or Renaissance exemptions would preclude receiving the remodeling exemption until the first one is expired.)
9. In all cases, the completion of the work and a final inspection by the Assessor's Office must be completed within 2 years of the start of the project or the exemption will expire for the remainder of the exemption.
