

Mobile Printing @ Bismarck Public Library

With our MobilePrint Service™, you can use your personal computer or mobile device to print to the library's printers from anywhere. Simply submit documents for printing and come to the library to release and pick up your document.

It can take up to 5 minutes for a mobile print job to appear at the Print Release Station.

Unclaimed print jobs are deleted after 3 hours or library closing, whichever comes first.

To print from a laptop or desktop computer:

- Visit <https://www.printeron.net/bpl/bismarcklibrary>
- Select either Black and White or Color printer and enter your email address.
- Browse your computer to find and select the file you wish to print.
- Click the green print icon. You will see the status of your print job and a reference number.
- At the Print Release Station in the library, select "Release a Print Job".
- Enter the email address you supplied, select your print job, and submit payment to initiate printing.
