Bismarck Veterans Memorial Public Library presents Magical Stories through Dance with Northern Plains Dance

WHAT:

Experience “Where the Wild Things Are” & “The Very Hungry Caterpillar” at Bismarck Veterans Memorial Public Library!

Join us for two enchanting dance performances by Northern Plains Dance at the Bismarck Veterans Memorial Public Library. On Tuesday, July 23 and Wednesday, July 24, 2024, at 10:00 AM, experience the classic tale of “Where the Wild Things Are” by Maurice Sendak in a beautifully adapted version for children ages 3-5. This energetic and humorous performance includes dynamic choreography and expressive movements, bringing the Wild Things to life. With a narrator guiding the young audience, this event is the perfect introduction to the magic of dance. Children from the audience can participate and help Max along his voyage with craft projects they create.

Then, on Thursday, July 25, 2024, at 10:00 AM, step into the vibrant world of “The Very Hungry Caterpillar” by Eric Carle. Choreographed by Andrea Byrd and Nia Lighter, this mesmerizing dance performance transforms the beloved story into an unforgettable journey through dance and imagination. Watch as the dancers embody the journey of the curious caterpillar through a week of delicious adventures, culminating in its transformation into a radiant butterfly. Perfect for audiences of all ages, this performance will captivate children and adults.

The Friends of the Bismarck Public Library is sponsoring both events.
